**WHAT IS SERVICE?**

To Our Notion, Service Means:

- 1st. Meet the Public with a SMILE.
- 2nd. Handle what the Public WANTS, rather than try to unload what WE want to SELL.
- 3d. Ask a REASONABLE price for EVERYTHING rather than to cover up unreasonable prices by displaying a FEW SPECIALS.
- 4th. Give everyone COURTEOUS TREATMENT whether they buy or not.
- 5th. See that ANY CHILD gets the same attention its parents would get, and give it change in coins that are easy to count.

**Are You Getting This Kind of Service?**

The fact that our business has shown an INCREASE during a period when others were complaining of DULL TIMES, proves to us that the PUBLIC appreciate this kind of service, and we shall continue to give it.
