**Club Will Elect Officers**

At the meeting of the Community club tomorrow night at the Estacada hotel, in addition to the annual election of officers, Mr. Peake, president and manager of the Carver Cannery Co., will be present and will give an interesting talk on the fruit and berry situation. Fruit and berry growers are especially invited to be present, as he wishes to meet them personally.

The entertainment feature of the program will be the story of our national songs and their relation to the periods in which they originated. They will be illustrated by characters in costume and everyone will join in the songs. Other musical numbers will round out a very enjoyable evening.
