## T. C. Jubb, Passes

Tuesday, August 2d, 1921, T. C. Jubb, after a lingering illness, quietly passed away. He had been ill for over a year, but had partially recovered, when he had another relapse, after which he gradually grew weaker until the end came. He was mostly unconscious during the last three or four weeks. His loss will be greatly regretted, as he was a most lovable man and greatly esteemed by those who knew him. His family will receive the heartfelt sympathy of all.

Thomas C. Jubb was born in Retford, Nottinghamshire, England, January 12, 1850, thus being 71 years, 7 months and 21 days at the time of his death. He came to America in 1870, and served three years in the United States revenue service, after which he went to San Francisco, where he engaged at his former trade of painting and paper hanging, in which he was an expert. Here also he was married to Caroline Aston, a native of Ireland, December 18, 1877, by whom he is survived. To this union were born six children, four daughters and two sons, who are now living. These are Mrs. N. C. Thompson, Mrs. Florence C. Ficken, Mrs. Jane Mary McCarter, Mrs. Emily A. Youngsanders, and Thomas W. and Clarence Jubb.

In 1889, Mr. Jubb moved with his family to Oregon, settling in Viola, where he owns a farm, and lived there for twenty-six years. In 1915, he went to Eastern Oregon, near Shaniko, in Wasco county, where he remained for three years, and moved back to Estacada, where he has since resided.

The funeral was held this morning at 10 o'clock, from the undertaking parlors, and the service of the Church of England, in which Mr. Jubb was brought up, was read at the grave by Rev. Upton H. Gibbs. The interment was in Lone Oak Cemetery, under the direction of funeral director J. E. Gates, who conducted it in a most reverent and sympathetic manner.

The third annual reunion and picnic of the Linn family, was held in the park, Sunday, with a total attendance of 102. The report of the secretary was read and approved. Then came a reading of the history of the trip of the original families across the plains in 1865. This was much appreciated, and printed copies were distributed to those present, as souvenirs.

Marchbank resigned. A collection was taken up to defray expenses, and photographs were taken of the entire group, and of the individual families. ## Montavilla Has Newspaper

We acknowledge the receipt of the first issue of the *Montavilla Times*. It is a 6 col. folio of 4 pages, and is launched for the promotion of the interests of that Portland suburb. It sets forth in detail the advantages of "Highway Butte," formerly known as "Rocky Butte," as the logical site for the 1925 fair. A. E. Hill is the editor and business manager, who announces a certified circulation of 2,000 copies. May its shadow never be less.

## A Great Picture

The Family Theatre will run Sunday afternoon and evening, the great religious film, "Behold the Man." It took several years in making, at enormous expense. Wherever it has been shown crowds have thronged the doors. Manager Sparks is to be congratulated on securing it for Estacada.

## Library Rooms Tinted

The rooms of the public library have been refurbished up this week, being tinted a light shade and the woodwork varnished. ## ELKS' MECCA AT ESTACADA, SUNDAY

### THIS COUPON

when signed by Mayor Stephens, will admit bearer and family to Elks' Picnic, Sunday, August 7,

Signed

Mayor.

Messrs. F. W. Wagner and Hunt, Elks' Committee of Portland, accompanied by Messrs. Geo. Keily, Thomas Pumfrey and E. L. Meyers, of the P. R. L. & P. Co., were here last Thursday, arranging for the B. P. O. E. annual picnic to take place in the park on Sunday. This will be the biggest event of the summer season, as the Elks do things up in a wholesale manner. Two years ago, when the picnic was held here, they brought 18 live elk. This year will eclipse all previous efforts, as 16 cars and 500 autos will be put into service, to bring the crowds. Saturday, the advance contingent with a whole car load of paraphernalia, will arrive and put the grounds in shape for the event. The amusement features will be of every variety—foot races and games for adults and children, \$2,000 being offered in prizes. The mayor of Portland is expected to be present and make an address. The famous Jantzen Bathing and Diving Girls have been requisitioned, and will appear in parade and perform their various stunts. Music will be furnished by the Elks' band, which is one of the best in the state. Two features which will show the thoughtfulness of the management for the comfort of those attending are, a Red Cross nurse and room at the hotel for anyone who may be taken ill, and a nurse and kindergarten for the babies and young children where parents may wish to leave them there, while they are taking in the sights.

Only Elk money will be in use on the grounds, and the admission 50 cents. Special concession to NEWS subscribers.

Through the courtesy of the Elks' management, the NEWS has been able to secure for its readers free entrance to the park, on presentation of the coupon above printed and signed by Mayor Stephens. It is good for bearer and members of his immediate family. We are glad to have been able to make this arrangement as a token of appreciation of the support given to the NEWS.

## Who Said Fish?

Flaunting his noted red necktie, H. B. Van Duzer, president of the Chamber of Commerce, has been fishing in the Trask. And—this is no fish yarn—caught enough trout to supply the new hotel at Lake Lytle. Being an enthusiastic angler, Mr. Van Duzer decided to whip the stream instead of trying the ocean bathing. He went to Trask and was so successful that he got the limit in almost no time at all. The basket was so large that when he returned to the hotel it was found that he had enough trout for all the guests, the help and some of the cottagers in Rockaway.—*Oregonian*.

Hay fever, and catarrhal deafness yield readily to finger surgery. See Dr. Rhodes, Hotel Estacada, Mondays, Wednesdays and Fridays, 8:30 to 4:30 p. m.
