We wish them a long and happy life together.

A Delightful Trip

Mr. J. O. Roberts, a brother-in-law V. W. Hauser, has recently, with his wife and children, been visiting the latter. He drove an Auburn six through from Tampa to Estacada, covering in all a distance of 4,600 miles. The route taken went through Georgia, Mississippi, Tennessee, Kentucky, Ohio, Illinois, Kansas, Colorado, Montana, Idaho, Washington and Oregon. They went through the Cumberland mountains, Pike's Peak and Yellowstone Park, but say that of all the scenery they saw, none was to be compared with that of the Columbia Highway. Mr. Roberts, who like his brother-in-law, is an old hotel man, is going to locate here. The party accompanied by James Hauser, father of V. W. Hauser, left Monday morning in their car for Los Angeles, California.

Employs Big Force

The Portland Railway Light & Power Company has announced its intention to continue a program of heavy reconstruction, removals and repairs to its physical property as long as the weather will permit this fall, in order to do its share in combating the unemployment problem. In keeping with this policy, company officials announce that the present staff of employees and pay roll is the largest in years and will be maintained for some time.

The number of employees of the company at present, is almost 3000 as compared with slightly over 2700 a year ago, and current monthly pay rolls are running close to \$4,00,000.

Last Friday evening, the Estacada company organized. It was decided to issue \$5,000 worth of stock at \$20 per share, to be sold only to fruit growers, and 71 shares were subscribed for on the spot. W. F. Cary was appointed salesman and booster, who reports that the shares are being rapidly taken up. It is the intention of the company to handle only the fruit of shareholders. In a few days another meeting will be held to elect officers.

The Round-Up

There is only one round-up and that is at Pendleton. It may well be termed "the show which made Pendleton famous." It was first produced in 1910, and from the start proved a decided success. Many notables have visited the performance and been thrilled by its many hair raising stunts. This year it will be staged on September 22, 23 and 24. If anything, it promises to be better than ever.

Rev. J. I. Abbett of Portland, will preach in the M. E. Church, next Sunday at 11 a. m., at Zion Church at 3 p. m. and at Garfield at 7:30 p. m. All are invited to these services.

COSTUME PARTY A PRETTY AFFAIR

The costume party which was given in the pavilion by the Parent-Teacher's Association, was an enjoyable event for the children, as well as for the more staid grown up portion of the audience.

The proceedings were opened with a grand march, following which the prize awards were made. The girl's prize for the prettiest costume, went to little Carol Yocum who was dressed to represent the autumn. Albert Belfis rollicking in a clown suit, received the boy's prize for the funniest costume.

The program which came after was especially good. Perhaps no number was more enjoyed than the aesthet dance given by Florence June Reed in a manner which would do credit to a professional. The evening was concluded with games. Altogether the entertainment was such an original and delightful social event, that it was to be regretted that there was not a larger attendance.

California Visitors

Mr. and Mrs. J. J. Nichols, of Los Angeles, California, left Sunday morning for Portland, after a most pleasant visit of five weeks at the home of Mr. and Mrs. C. M. Folsom, of Springfield. Mr. Nichols is a retired merchant of Los Angeles, and they will visit Portland, Tacoma, Seattle, San Francisco, and other cities before returning to their Los Angeles home. While here, Mr. and Mrs. Folsom entertained Mr. and Mrs. Nichols with many automobile trips, one of the pleasantest being a day's trip on the Columbia Highway. The Nichols declared the scenery on this trip to be the finest they had ever seen. Among the pleasant remembrances of the visit, were the celebration of several birthdays. Mrs. Nichols' birthday falling due on Sept. 3, Mrs. Folsom and her daughter, Mrs. Harold Horner, entertained with a delicious birthday cake, and some beautiful gifts were parts of the surprise for Mrs. Nichols, which were all greatly enjoyed. Mr. and Mrs. Nichols obtained a promise of the Folsoms to visit them in their southern California home at the earliest opportunity.

Attention! Ex-service Men!

Ex-service men should be interested in a recent ruling of the Treasury Department, by which the time in which War Risk Insurance may be re-instated, is extended to January 1st, 1922. Of perhaps of more interest, is the announcement that application blanks under the State Aid Bill, will be sent out about Sept. 1st. These blanks will be distributed through the local post of the American Legion, and all Service Men entitled to benefit under this act, are urged to get in touch with the Post officials.

This is a mighty good time for men who have not joined the Legion to do so. The American Legion is fighting and working for every Ex-service Man. Show your appreciation by getting in with the gang. We stood together, let us stick together. Join the Legion!

REX LUDLOW, Commander.
