The Interscholastic debate between E. H. S., Gresham and Milwaukie took place as scheduled on Friday evening. Esta- reduction of taxes. cada was defeated by a 2 to 1 de-

cision in the one encounter, and a unanimous one in the other.

If the decision be looked upon as the all important thing in a contest of this kind, then Estacada would seem most unfortunate. But to those who know the value of the work involved, the decision is a secondary matter. In real work accomplished, in sincerity of effort, and in fineness of spirit, our team needs to fear no comparison.
