County Agents Are Busy

Do the farmers use the county agents? What do they want when they visit the county agent? The average county agent in 1921 listed 1500 calls at his office, made 366 farm visits, held or participated in 118 meetings, and wrote 1160 letters.

Some light is thrown on what farmers want by noting the activities in the office of W. B. Tucker, agent of Crook county, in January. Crook county has fewer than 600 farmers all told.

There were 150 visitors during the month and the information they desired was along the following lines: 26 callers asked for information on potato culture; 15 in regard to land values; 10 for coyote poison, 22 for information on dairy topics, 18 on where seed of good quality can be purchased; 12 on Poultry husbandry; 10 about agricultural magazines; 12 on growing sugar beets; 7 on dairy barns; 8 on rabbit poisoning and 10 on general cropping systems.

In Malheur county, L. R. Breithaupt, agent, spent 18 days in the office and 12 days on the farms of the county. Two hundred and thirty persons called at the office for personal assistance; 160 personal letters were written in answer to specific requests; 22 circulars, including 2153 copies, were mailed to farmers of the county; 10 meetings were held, one for a discussion of plans on each line of work being carried on. The attendance at these meetings was 945. Seven other meetings were participated in, which were attended by 2019 farmers.

Wherever there is a county agent there is activity of a substantial and helpful nature.

SPECIAL SCHOOL MEETING

NOTICE IS HEREBY GIVEN to the legal voters of School District No. 108 of Clackamas County, State of Oregon, that a SPECIAL SCHOOL MEETING of said District will be held at Estacada High School, on the 9th day of June, 1922, at 8 o'clock in the afternoon, for the following objects:

To elect one director to fill the unexpired term of Dr. R. Morse. Dated this 23rd day of May, 1922. Attest: F. G. ROBLEY, Chairman Board of Directors. MRS. MYRTLE BELFILS, District Clerk. 5-25 6-8

8th Grade Commencement

The second annual commencement exercises for the eighth grade graduates of Clackamas county will be held at Chataqua Park, Gladstone, June 3, 1922.

The morning program will consist of singing, speaking and the presentation of diplomas. For the afternoon two baseball games will be played if possible: One a boys' game for the championship of the Grammar School League of the county, the other a five-inning game for girls.

We suggest that on this occasion all graduates wear plain, inexpensive clothing. In fact every effort should be put forth to prevent an unnecessary expenditure of money. If agreeable to parents the girls might wear white middie dresses.

All diplomas for each class will be presented to the class president, and the names of graduates will be announced.

The result of the May examinations will be sent out at the earliest moment possible, and those to whom this letter is sent are requested to notify pupils of their standings, as it is impossible for us to send returns to individual pupils.

Eighth grade pupils who fail in one or two subjects only, should attend the exercises with their respective classes, and diplomas will be issued to them after the June test, if they are successful in passing the examination in the one or two subjects in which they failed in May.

Parents, teachers and friends are all cordially invited to be present and help to make this one of the greatest events in the lives of the eighth grade pupils. Bring your lunch and stay all day.

Please be at the Auditorium at 9:30 sharp, as it will take considerable time to get ready for the program.

Don't forget your lunch, your class colors, class yells, and above all else, do not forget to come.
