RECEPTION TO RETIRING PASTOR

Members of the M. E. church and friends of Rev. and Mrs. A. F. Lacy, met at the church last Monday evening to give the departing pastor and his wife a farewell party. After a time spent socially an impromptu program was given, which started off with community singing, led by Miss Ruth Dillon. Miss Melba Harman then gave a reading after which Rev. A. Demoy made a few remarks, dwelling upon the high esteem in which Rev. and Mrs. Lacy were held in this community and the many friends they have made during their short stay of one year. Mr. Lacy feelingly responded and assured the good people of his church and of the community, of his lasting remembrance of them and expressed many regrets that it was necessary on account of his health, to make a change. A few humorous stories assisted in bringing smiles to the faces of many who were saddened on account of the departure so soon of this most estimable pastor, friend and neighbor. Miss Harman followed these remarks by a piano solo and Miss Ruth Dillon "spoke a piece," as she jestingly termed it. A general handshaking and social time followed, and the evening's program ended with light refreshments.

After the business was concluded, a bountiful chicken dinner was served and the occasion was utilized to make it serve as a farewell to two of the lodge's most valued members, Mr. and Mrs. S. P. Pesznecker, who are about to move to Vancouver, Washington. Their departure will be much regretted, as they have lived here and in this vicinity a good many years, but Mr. Pesznecker has accepted a very flattering position at the Bliss machine shop in Vancouver. He has not, however, disposed of his town property, but has leased his residence to E. G. Hopkins who recently bought the Bass Barber shop. The best wishes of a host of friends go with them to their new home, hoping that sometime they will again return here.

In an interview this morning, with Mr. Langlois, he said he was much pleased with the hospitality shown him during his stay here. He will be back each week for a few days at a time.
