## Missing Flyers Return Safely

The people of Estacada and vicinity who made the acquaintance of C. S. Woodruff, aerophotographer while here with his plane, were rejoiced to learn that the report of his being lost around Mt. Hood proved to be wrong. He and his pilot, W. R. Graham, arrived in Hood River Monday night, after three days rather strenuous experiences caused by engine trouble. They were compelled to land on an exposed butte and for three cold nights huddled there around a small fire. Fortunately they had food enough to keep them from starvation.

## CITY ELECTION

NOVEMBER 7TH

The city election will be held at the same time and place as that of the state election. Those to be voted for are a mayor, a city recorder, treasurer and two councilmen. There has not been any marked eagerness manifested over the vacant offices. At this writing (Wednesday) the only name for mayor which has been filed, is that of G. E. Lawrence. A petition was started for A. T. Elott for mayor, but when it came to his knowledge he requested it should be withdrawn as he could not consider the office for business and other reasons. Petitions for Fred Bartholomew and J. P. Woodie have been filed for recorder, and reports are that there will be another candidate for this office. No one yet has been named for treasurer, and we hope that the present incumbent, Mrs. Nina B. Ecker, will be retained. C. S. Allen's name is filed for councilman in ward 4, and O. E. Smith in ward 5. Petitions are out and will soon be filed for Tom Morton in ward 4 and Roy Wilcox in ward 5 for councilmen. It is not likely that the contest will be very keen, as all are good men and voters will be mainly guided by personal reasons in their choice.
