**Young Babe Dies**

Mr. and Mrs. G. E. Kiggins are receiving the sympathy of their friends for the loss of their infant daughter, who was only 26 days old. Her death was very sudden and unexpected, as she was apparently perfectly well when fed at 2 a. m. Tuesday. On going to her a few hours later, she was found dead. The cause is thought to be due to the bursting of a blood vessel in the head. The funeral was held at the house, yesterday at 2 p. m., the Rev. H. W. Mort, pastor of the M. E. church officiating, with interment in the Odd Fellows' cemetery under the direction of Joseph E. Gates.

Mr. and Mrs. S. E. Wooster of Portland, drove to Estacada, yesterday afternoon, to call on their old friends and neighbors. They are both looking well, and Mr. Wooster says the real estate business is good. Their daughter, Miss Helen, has an excellent position with the Ralph Ackley real estate agency.

**CARD OF THANKS**

I take this method of expressing my sincere thanks to my new friends and neighbors for their assistance and kind expressions of good will during my recent illness. It is worth a sick spell to know that so many kind hearted people live around Barton.

E. S. Chase.

**Farmers' School**

A good sized crowd attended the school of the O. A. C. Extension Service at Odd Fellows hall yesterday. Messrs. Gunn and Besse presented their subjects of Production Cost and Marketing, most interestingly. Figures arrived at from careful surveys of of farm operations in the state, covering a period of the last three years, presented a far from encouraging picture to the average farmer, but a later analysis of the causes and the suggested remedies of quality, production and co-operative marketing, left the audience in a more optimistic mood, and with plenty of food for thought.

You Will Want Your Fordson Tractor Early

Everything points to the greatest shortage of Ford products this year that has ever existed.

Never before has the demand been so great.

You will want a Fordson Tractor early—here is one product you cannot wait for—when the weather opens up you will need it.

You will want it for plowing, seeding, cultivating—and all your other work. Already it has proved the greatest help to profitable farming that has ever been offered to you. And at \$395 f. o. b. Detroit, the price is so low that you lose money every day you are without a Fordson. To get delivery you must order early.

There are no reserve stocks among our dealers—our production capacity, great as it is, will not enable us to build up a reserve.

It must be a case of "first come, first served," and the only way in which you can protect yourself is to list your order with a Ford Dealer immediately.

By taking advantage of our dealer's first opportunity to make delivery, you will be assured of having your Fordson when you need it.
