SATISFIED CUSTOMERS

If customers made but one visit to our store we would soon be forced out of business. Our progress is dependent upon return courteously with what you wantat a satisfactory price. When we buy merchandise the leading thot we have in mind is: 'Will this prove satisfactory to our customers?" We avoid the cheap, the shoddy, and the second grade. A small profit often is better than a big profit once. The satisfied customer is the best advertisement.
