Cupid Wins Out

On Sunday, March 25th, a pretty home wedding took place in Portland at three o'clock in the afternoon at the residence of the bride's parents. The principals were Miss Agatha Waite, who has been teaching school in the Dover district, and Ralph DeShazer of Dover. While not unexpected, the news came as a surprise to their many friends. The house was decorated very tastefully for this happy event, with seasonal greenery and flowers. The bride's sister, Miss Audrey Waite, was the bridesmaid, while the groom was supported by Lester Spifford as best man.

The Rev. H. F. Jones, D. D., read the service using the impressive ring ceremony, in the presence of the relatives and a few close friends. The wedding dress was a beautiful one of crepe de Chine and the bride carried a gorgeous bouquet of Ophelia rosebuds. While the vows were being pledged Miss Kathryn McChesney sang a solo, "The Garden of your Heart," and Mrs. D. C. Hill played for a wedding march a selection from Wagner.

When the two had been made one, and congratulations extended, a delicious buffet luncheon was served, and soon afterwards the young couple left for their future home in Dover. "La Rose Lawn Home," which was all in readiness for their reception. They are the recipients of most hearty congratulations from their hosts of friends. Mrs. DeShazer will complete her term of school.

You Will Want Your Fordson Tractor Early

Everything points to the greatest shortage of Ford products this year that has ever existed. Never before has the demand been so great. You will want a Fordson Tractor early—here is one product you cannot wait for—when the weather opens up you will need it.

You will want it for plowing, seeding, cultivating—and all your other work. Already it has proved the greatest help to profitable farming that has ever been offered to you. And at \$395 f. o. b. Detroit, the price is so low that you lose money every day you are without a Fordson. To get delivery you must order early.

There are no reserve stocks among our dealers—our production capacity, great as it is, will not enable us to build up a reserve. It must be a case of "first come, first served," and the only way in which you can protect yourself is to list your order with a Ford Dealer immediately.

By taking advantage of our dealer's first opportunity to make delivery, you will be assured of having your Fordson when you need it.
