### ANNOUNCEMENT

I wish to announce to the vot-  
ers of the City of Estacada that  
I am a candidate for the office  
of councilman in the recall elec-  
tion to be held at the City Hall  
on the 14th day May, 1923.

I have lived in this city for the  
past fourteen years, and I believe  
I am familiar with its needs and  
wants, and know very well what  
the public sentiment is upon all  
issues that are being discussed,  
and believing in the true princi-  
ples of representative govern-  
ment, think and believe I am  
thoroughly qualified to repre-  
sent the majority, without in-  
flicting any injury on any minor-  
ity let it be large or small. I  
ask of the electorate to kindly  
give me their support and I will  
try and deport myself in such a  
manner that the public will have  
no reason for my recall and the  
people shall know just what all  
indebtedness particularly is being  
created for.

If you will show me during  
my incumbency, if elected,  
where I have put my hands in  
the pockets of the public for per-  
sonal aggrandizement. For other-  
wise, I will immediately resign  
from the office.

W. E. MCWILLIS.

### Council Meeting.

All councilmen were present at

Tuesday night, and twenty or  
more interested citizens. Mayor  
Lawrence called the meeting to  
order and after the routine busi-  
ness was disposed of, the hear-  
ing of any remonstrances or ob-  
jections to the proposed exten-  
sion paving on Main, second and  
third streets, came up. There  
were no objectors, but two prop-  
erty owners requested an esti-  
mate on the cost to them. Wed-  
nesday, May 16 was appointed  
as clean up day. J. F. Lovelace  
spoke in his own defense in the  
matter of his recall. Next came  
the consideration of extending  
the hours of public dances from  
midnight to 3 a. m., which was  
laid over at the last meeting. A  
counter petition with 104 names  
of legal voters, against granting  
the request, had been presented  
as against the 75 on the petition  
favoring the extension. Much  
discussion followed. It was pro-  
posed that it should be placed on  
the ballot for the people to vote  
on at the coming special election,  
but this was ruled out as being  
illegal. Finally the matter was  
dropped pro tem. as being out of  
order. The bills against the  
city were next audited and the  
council adjourned.

### Bundle Day

"On my recent visit to the  
Near East, I was amazed to find  
the purchasing power of used  
clothing", states J. J. Handsak-  
er, Oregon Director Near East  
Relief. "I found an old shirt  
would buy 2 dozen eggs, an old  
coat would purchase a sheep,  
while I saw great piles of wood  
and hay bought with this same  
legal tender."

"We want garments with six  
months of wear left in them for  
men, women or children. Imag-  
ine what you need in the way of  
clothes if for six years you had  
not been able to buy a garment  
or a yard cloth.

Recently a million people have  
been made homeless and these  
are in the greatest need while  
our regular every day task is to  
supply clothing, food and shelter  
for 115,000 war orphans."

Clothing for Near East Relief  
sufferers should be sent to Near  
East Relief, 615 Stock Exchange  
Building, Portland, direct or

increase in Clackamas county  
taxes, should be credited to our  
esteemed and informational con-  
temporary, the OREGON VOTER.

Tuesday night, Redfield Payne

fool with him, and was knocked  
down and the machine ran over

was a pretty close call.
