Bred for Vigor and High  
Egg Production.

Our primary aim is to produce  
vigorous, husky chicks; healthy,  
rugged breeding stock, and first  
class hatching eggs. Hence, in  
many cases, our customers roll  
up bigger egg records than we do.  
But we hold our mature stock  
back as long as possible after the  
moult and bring them into laying  
as near the hatching season as  
possible. Thus are our customers  
assured of strong, rugged chicks  
and high quality hatching eggs.

## FATAL SHOOTING

E. A. Smith, timekeeper em-  
ployed by the Hurley-Mason  
company in the camps above  
Faraday, was shot Friday night  
by G. A. Phelps, log scaler in  
the employ of the forest service.

It appears that the shooting  
was through misapprehension,  
the two men having been good  
friends. Smith, it seems, on  
meeting Phelps turned his flash-  
light upon him, and the latter  
thought he was being held up,  
and fired. Smith was struck in  
the stomach, and was put on a  
construction train and hurried  
to St. Vincent's hospital at Port-  
land, where he died Saturday  
afternoon. Phelps has not been  
arrested.

The I. W. W. tried to make  
capital out of the occurrence and  
called a strike, and about 700  
men quit, but these were the  
common laborers engaged in  
clearing the brush and laying  
the track. The trained men stay-  
ed on the job and so far the work  
has not been hindered.

## A Sad Occurrence

The news that Mrs. Percy  
Dawe, wife of the manual train-  
ing instructor in the High School  
had passed away at the Emman-  
uel hospital in Portland, on Tues-  
day afternoon at 1:30, came as a  
distinct shock to this community.

Although for some weeks she had  
been in delicate health, there  
were no particular indications  
for alarm. Wednesday of last  
week she was called to Portland,  
where she was taken ill and went  
to the hospital, but her condition  
was not regarded as serious. In  
fact, her husband who spent the  
week end with her, returned ab-  
solutely assured. She continued  
to improve until the middle of  
Tuesday morning, when a sud-  
den change took place, and she  
rapidly sank. There was some  
difficulty in reaching her hus-  
band by long distance telephone,  
so he did not get off until the 1  
o'clock car. Unfortunately on  
arrival he found she had passed  
away an hour before.

Much sympathy is being ex-  
pressed for him in thus losing his  
bride of less than nine months.  
Mrs. Dawe by her quiet and  
sweet disposition had made many  
friends during her brief resi-  
dence here, by whom she will be  
greatly missed. The funeral  
service will be held in the parlors  
of the Byrnes undertaking  
establishment, 901 Williams Ave.  
Portland, tomorrow at 3:00 p. m.  
with the Rev. H. W. Mort of  
Estacada officiating.

Dorothy Devorah Schnasse was  
born in Nebraska, October 30,  
1888, so she was 34 years and 6  
months old at her death. Her  
family moved to the state of  
Washington when she was 2  
years old. She attended the  
Willamette university at Salem,  
from 1911 to 1915, and was mar-  
ried to Percy Dawe August 30,  
1922. Besides her husband, she  
leaves a mother and a number of  
brothers and sisters to mourn  
her loss.

ornamental shrubs, rose bushes

Mrs. Greenleaf of Victory chap-  
ter acted as worthy matron,  
while two other daughters Mrs.  
Syron and Mrs. Syms of this  
place, represented Ada and Es-  
ther in the star points. At the  
conclusion of the initiatory cere-  
mony the Estacada chapter hon-  
ored Mrs. Catherine Allen, past  
matron and a valued and faithful  
member, by conferring upon her  
the Floral Degree, a beautiful  
and impressive ceremony.

During the evening both vocal  
and instrumental music were de-  
lightfully contributed by the  
visitors. The hall was a bower  
of beauty with a profusion of  
flowers and other attractive de-  
corations. Before the visitors de-  
parted in their machines for  
home, light refreshments of  
sandwiches, cake and coffee were  
served by a committee and a  
most enjoyable social time con-  
cluded the evening's festivities.

## CURTAIN TO FALL ON GRADUATES

Having finished their course in  
the high school, the class of 1923  
will assemble for the last time  
on the stage of the auditorium,  
tomorrow night. There will be  
a suitable program in connection,  
consisting of musical numbers  
and an address by an outside  
speaker and presentation of di-  
plomas by the chairman of the  
school board, Gerald Wilcox.

We take an especial interest in  
this class as we attended four  
years ago the exercises when  
five of its present number gradu-  
ated from the grammar depart-  
ment. Time flies and it scarcely  
seems so long a period. No  
doubt to them the occasion is  
one to which they have eagerly  
looked forward as registering a  
distinct advance in life. For  
some it will be the end of school  
and others the beginning of an  
advanced course. But which ever  
it is, it will be by no means  
means the end of learning, for  
unless we vegetate we are learn-  
ers ever and life is one continual  
school. We bid them Godspeed  
on their various careers, and  
urge them to face the future  
manfully and endure the disci-  
pline of life without whimper-  
ing, knowing that thereby alone  
will true manhood be developed  
in them, by which they will be  
fitted to win out in the race  
which is set before them.

Those constituting the class  
are, Norma Randolph, Constance  
Richmond, Pauline Rose, Nova  
Smith, Gilbert Shearer, Gladys  
Miller, George Linglebach, Vio-  
let Marshall, Arnold Lovelace,  
Theodore Howe, Mae Smith, An-  
drew Janssen, Melba Harmon,  
Waldo DeMoy, Ronald Burnett,  
Ervin Cadoneau, Walter Ander-  
son, Marion Tucker, Elizabeth  
Weir, Clyde Davis.

## BASEBALL

Our boys won the third straight  
game of the season at Willamette  
Sunday by a score of 4 to 12.  
Owing to the illness of our reg-  
ular pitcher, J. C. Moreland was  
on the mound for Estacada and  
pitched a bang-up good game,  
although the barber ump was  
rotten and J. C. must put the  
ball over the center before he  
would call a strike. Our boys  
had the Willamettes faded at  
all times and would bang the  
ball all over the lot. Sunday  
will be the game of the season  
at home. We play Oswego, who  
has won three games and lost  
none, and if the Estacada fans  
want to see some good hot stuff,  
come out and see us trim Oswe-  
go Sunday.

ROY WILCOX, Mgr.

## To Give Entertainment

ing, May 24th, at 8 o'clock. The

made cheese from which sand-  
wiches will be served with pie  
and coffee at 15c per plate.

## Jury Verdict

At the inquest at Oregon City,  
Tuesday, over the death of E.  
B. Smith, who was shot at the  
Hurley-Mason camp last Friday  
night, the jury brought in a ver-  
dict of accidental shooting.
