The Neighborly Club met with Mrs. F. Shibley last week. The next meeting will be with Mrs. Nettie Grable.

"Bunnie" Erickson of Portland is visiting with her grandparents, Mr. and Mrs. Peter Erickson.

The school election was held Monday at the school house and Mrs. F. E. Erickson was elected clerk for one year and Sylvester Lawrence was elected director to serve three years.

Mrs. Anna Zurcher of Silverton visited her daughter, Mrs. Joe Guthridge, several days last week.

Mrs. Mary Ringo is a guest of Mr. and Mrs. Frank Millard.

I. O. O. F. Picnic

The third annual picnic of the Clackamas County District of I. O. O. F. lodges was held in the Estacada park June 16, 1923. A special car came out from Oregon City, and other lodges arrived in different machines. There were about 200 people present.

The program was according to schedule: Address of welcome, Mayor G. E. Lawrence; response, Mayor Shannon of Oregon City. Others called on were Past Grand Master T. F. Ryan, W. A. Moran, Ex-Czar of the Muscovites, and A. DeMoy of the Estacada lodge. At 12 o'clock dinner was served in the pavilion. The relay race for Odd Fellows was won by Oregon City and the Rebekah cup was awarded to the Oregon City lodge. The cup for the tug of war contest between lodges was won by Estacada. Various other races were run and prizes awarded.

After the races were over the people went to the Odd Fellows hall and the time was spent in dancing and playing games until six o'clock when the car left for Oregon City.

In the evening the Odd Fellows conferred the 2nd degree upon A. G. Ames. A large number was present and after lodge, a supper was served by the Rebekahs which was enjoyed by all.

Notice to Pay Up

As I have sold out my grocery business, I must pay the bills for which I am responsible. Those indebted to me are respectfully requested to call and settle their accounts, as I must have the money.

BARTON ITEMS

Rev. and Mrs. Day of the Arlet Baptist church, a number of the members of the choir, and Mrs. S. E. Robinson, her son and his wife, twelve persons in all, were delightfully entertained with dinner consisting of chicken and strawberry shortcake and all that goes with a well prepared country menu at the home of Mrs. S. E. Robinson, Sunday.

Rev. Day held services at the school house, Sunday, which were much enjoyed.

Mrs. Lewis Rivers and son went to Gresham one day last week.

Mrs. Ed. Bates who has not been well for the last few weeks is not much improved.

The Barton school meeting was much enjoyed by some as a vote was cast for a new school house, the vote was 18 for and 8 against. Hal Gibson was reelected director by a large majority.

A Pleasant Meeting

Mountain Chapter No. 108, O. E. S., held a very pleasant meeting Tuesday night. Among the out of town visitors present were Dr. and Mrs. H. V. Adix and Mrs. Stapleton and Mrs. Haley of Gresham, Mrs. A. Drill and Miss Abbie Starts of Portland, and Mrs. Rex Ludlow, who is a member of a Portland chapter. Miss Starts was a charter member of the Estacada chapter and Dr. and Mrs. Adix were former members here. Mrs. Drill is still a member of this chapter.

Three candidates, Mr. and Mrs. G. P. Rose and Verner Anderson, had the degrees conferred upon them. It was past worthy matrons' night and they all were called upon for speeches, as well as the visitors present. After the meeting adjourned a social time and refreshments were enjoyed. The Estacada chapter was invited to visit Victory chapter in Portland in July, and confer the initiatory degrees and also the floral degree. It was decided to accept the invitation.

Milk and Butter Tests

How Oregon milk and butter production is officially determined as the basis on which the state holds a unique place in the dairy world, is explained in a new experiment station bulletin, "Official Testing of Dairy Cattle in Oregon," by H. N. Coleman, superintendent of official testing. Official tests were given on pure bred dairy cows 5801 times in 1922—Jersey's 71 per cent in 120 herds, Holsteins 12 per cent in 26 herds, Guernseys 10 per cent in 24 herds, Ayrshires 5 per cent in 5 herds, and Shorthorns 1 per cent in 4 herds. Official testing was done in 22 counties.

In a certain sense every taxpayer of Oregon is a party to the certification, since the record must be signed officially by the state in the person of a representative of the state experiment station. Hence every precaution is taken to protect the records so breeders may have the full advantage of a guaranteed high record. Sales value for high record cows in official tests doubles or even quadruples value without the record.

Oregon holds 12 of the 16 possible high records for Jersey production, as shown in the bulletin, although a comparatively new dairy breeding state with only 4 per cent of its cows purebred.—Copies of the bulletin may be had on request of the station at Corvallis.
