Notice of School Election to Increase Tax More Than Six Per Cent Over That of the Previous Year.

NOTICE is hereby given to the legal voters of School District No. 108 of Clackamas County, State of Oregon, that an election will be held in said District at High School on the 18th day of December, 1923, at eight o'clock in the afternoon, to vote on the question of increasing the amount of the tax levy in said District for the school year 1924-25 by more than six per cent over the amount of such levy for the year immediately preceding.

It is necessary to raise this additional amount by special levy for the following reasons:

Material, supplies and labor are approximately 25% higher than heretofore; the state department has recommended an additional teacher in the High School in order to standardize the school, and the district faces a deficit for the present school year of approximately \$2657.00.

Dated this 19th day of November, 1923.

East and West

In the sober days of reflection following the World War the publishers of The Youth's Companion resolved to devote the special covers to some constructive, worth-while purpose. Out of that resolution came the idea of the Historic Milestone Covers, a series of subjects presented in full color representing some of the outstanding incidents in our history and designed to stimulate in our present and prospective citizens a desire to know more of America's wonderful history.

The Milestone Cover that will appear on the issue of November 22 carries the following message:

"In 1792 Capt. Robert Gray, sailing from Massachusetts with Betsy Ross's original Stars and Stripes fluttering at the peak, entered the mouth of a great western river which he named the Columbia, after his ship, thereby giving the United States a claim to all the territory of a vast and opulent watershed."

Through this Historic Milestone Cover the East salutes the West, and Massachusetts pays homage to her sister states, Oregon and Washington.
