The Picture Sensation of the Year

'Merry Go-Round'

Faster, more riotously, gayer, more colorfully revolved the daily round of empty duties and the lavish revelry of the emperor's court. A fantastic, frothy whirl of life's loves, passions and ambitions light and colorful in appearance, but with an iron grip that held all those within its grasp relentlessly and irresistibly.

See this scintillating picturization of the glittering glory of an emperor's court with magnificent officers and gorgeous women whirling and swirling in one continuous round of exotic luxury.

See the greatest love story ever told mirrored against backgrounds of rare splendor and beauty. A poignant, tender story of an unquenchable love that reaches out and softly strums a haunting melody on one's heart-strings. A picture such as you have never seen before--a picture that you will never forget.

Woman's Love or Woman's Vengeance--Which?

A drama of a beautiful woman whose most cherished possession was her good name--and how, when the tongues of gossip had made her a social exile, she planned vengeance, only to meet a greater desire! A story that sweeps from aristocratic ancestral halls to the snow-swept places of "The White Frontier," where people go to forget--and to be forgotten.
