

Play Ball!

Now it is up to the boys to make this baseball season a success. We have had a little trouble and delay getting into the county league, by not having had a representative from Estacada at the regular meeting of the principals of the Clackamas county schools. But later when Supt. Vedder found that the Estacada school board was very desirous to enter this school in the league, he called a special meeting to which a representative was sent by the board, and now the school is in the league.

It was also found that the boys were very much in need of new suits, and as the student body fund is low, the school board came to their assistance and ordered the suits for them.

Go out to win, boys!

WHAT KIND OF A SHERIFF DO YOU WANT?

It is a political maxim, that we have as good government and officers as the electorate desire.

There is today wide-spread contempt for law. Unless the "scoff-law" tide is checked, government by law will collapse, and chaos and disorder will reign. The only remedy is to elect men to office who will themselves obey the law, and fearlessly enforce it.

This is what Clackamas County need. The key-man is the sheriff. Fill the right man is in, the "stills" and "boot-leggers" will be winked at and multiply.

Who is the right man? Well, a number of citizens in Clackamas County, dissatisfied with the present lax conditions of law enforcement in general, in the county, have found a man big enough for the job. He is not a professional politician, nor office seeker. He is a business man who has, as a public duty, yielded to the importunities of many patriots in all the parties, to file for the nomination for sheriff of Clackamas County.

He is a man of ability, good judgment, true courage, self control, alert, strong and sure of himself. He is a man who cannot be bluffed, nor stampeded.

He is 100% American, he has a spotless record. He helped make Oregon "dry". He is a World War Veteran and an officer of the local Legion.

He is a Christian, church member and a church-goer, and church supporter. His name is *SIMON MacDONALD*, of Oregon City. His platform is "economy; a fearless enforcement of law; co-operation with federal officers," and with any law enforcement organization in the county.

This is the Time for Every Patriot to Strike a Telling Blow for Constitutional Government in Their Own Home Field.

M. E. CHURCH OF OREGON CITY,
By E. A. STEIBER, Secretary.

THE COUNTY PRIMARY ELECTION WILL BE HELD FRIDAY, MAY 16, 1924.
