## Vedder Was Right

It will be recalled that at the special meeting of the school district on December 13, the voters were asked to sanction a special emergency sum of \$5,000 to run the schools through the school year. County Superintendent Vedder was present and stated that from figures in his office the schools could close with about \$3,000 on hand, so the emergency fund would not be necessary. The end of the school year has been completed and the district has on hand in cash \$3,461. The difference between \$5,000 deficiency tax as asked, and the cash balance of \$3,461 on hand or \$8,461, the taxpayers saved by accepting the advice and figures of Mr. Vedder.

## Eagle Creek Grange Picnic

As Saturday, May 17, was an ideal picnic day there was a large attendance at the 17th annual May picnic given by Eagle Creek Grange. The day was pleasant though somewhat cool in the afternoon.

A fine program consisting of songs, musical selections, recitations, etc., was rendered. State Master George A. Palmateer of Hood River made a short talk regarding Grange work. Judge Gordon E. Hayes was present and made an excellent address. The Estacada Guitar Band rendered some selections which delighted the audience.

After the program there were some races and contests of various kinds. Mrs. DeShields brought a quilt, disposing of it by selling sticks of candy, containing numbers, at ten cents each, and the one securing the number attached to the quilt won the prize. Fred Hoffmeister got the lucky number.

One pleasing feature of the program was the Maypole dance, which was put on twice by the Barton girls, at the beginning and end of the program.

The dance, which was held in the Estacada Park pavilion, was well attended.

## Log La Barre

The Estacada high school Alumni held its annual banquet last Thursday evening at Log La Barre, when about sixty were in attendance. While partaking of a delicious dinner, speeches were made and the following officers elected to serve for the ensuing year: Helen Lovelace, president; Isaiah Tucker, vice-president; D. Kathleen Currin, secretary; Kenneth Wood, treasurer; Lydia Mattson, reporter. The school board was represented by its chairman Gerald Wilcox. The tables were beautifully decorated for the occasion, and the living rooms with dogwood, huckleberry and wild iris. The evening was spent in music and dancing until a late hour. All were so pleased that Log La Barre was elected for their meeting next year.

Mrs. R. S. McKibbin, who has been spending a few weeks at Log La Barre, returned home Friday. H. A. LaBarre.

Mrs. Williams of Gresham, visited her sister, Mrs. U. S. Morgan, here yesterday.

## Jersey Breeders Meet

The Clackamas County Jersey Cattle Club held its regular meeting at the home of Mr. and Mrs. A. Malar at Boring, Oregon, on Thursday, May 15.

The meeting was an unusually enthusiastic one and was exceptionally well attended. The beautiful location of the farm on the Mt. Hood Loop road, the good fellowship of the assembled Jersey breeders, the fine Jersey cows, the perfect weather and the good program, all contributed to make the meeting a most valuable and enjoyable one.

High points to the meeting were: First, the subscription of \$70 for the Jersey Chautauqua and Boys and Girls Club work in ten minutes time; Second, the first appearance of the new American Jersey Cattle Club field man for the Pacific coast; Third, story of the building of his herd by Mr. A. Malar; Fourth, inspection and judging of Mr. Malar's fine Jerseys, with a judging demonstration by Mr. Jamison, dairy expert from O. A. C.; Sixth, several enthusiastic short talks among which was one by Mr. Altman of Gresham, on size, type and production.

The next meeting will be held on the second Thursday in July, the place of meeting to be announced later. One of the headliners at this meeting will likely be a story of the Island of Jersey, and some of its great cattle, by Harry West, veteran Jersey importer of Oregon. We also expect that Chester Mulkey of the Oregon Jersey Cattle Club will be on the program for an address.

## Decoration Day

Under the auspices of the Carl Douglass Post, American Legion, Memorial Day will be fittingly observed in Estacada. The parade will form at 10 a. m. at the Crawford Bros. garage, led by the Estacada band followed by veterans of the civil and Spanish wars in cars, Ladies Auxiliary, World War veterans and Boy Scouts. The line of march will be west to Broadway and thence south to the park, where the exercises will be held.

## Ford Sales Increase

DETROIT, MICH., MAY 16, 1924—May has opened with a bigger demand for Ford Products than any month so far this year, the Ford Motor Company announced here today.

Ford retail sales in the United States during the first ten days of May averaged eight thousand three hundred and eighty five daily, exceeding the last ten day period of the record breaking sales month of April and indicating the continued upward trend of the market.

Figures just compiled show a total of 757,023 Ford units retailed to customers from January 1st to and including May 10th, of which Ford car and truck deliveries alone show a gain of 102,158 over the same period a year ago.

With the increases already attained this month and with the present outlook for business, the company anticipates a new high sales figure in May.

The News is sorry to hear of the illness of Mrs. George Hislop, at the home of her daughter Mrs. W. J. Syms.

Later they all enjoyed a picnic dinner across the river. The visitors were old time Nebraska friends of Mr. and Mrs. Sparks.

## Jersey Chautauqua

Probably the most important event in the history of "Jerseydom" in Oregon will be the "Jersey Chautauqua" to be held at the State Fair grounds, Salem, May 28 and 29. This will be a true Chautauqua, with the educational features kept in the forefront, and at the same time with plenty of entertainment features. But the two big ideas will be the reception to the new fieldman, appointed by the American Jersey Cattle club, to work in Oregon, Washington and Northern California, and the Jersey calf Club judging, for which prizes of over \$100 have been offered.

There are some ten counties in Western Oregon that have Jersey calf clubs, and it is now promised that these ten counties will send over a dozen clubs to compete in the judging. While each club will receive \$5 whether it wins one of the first five places or not, competition will be keen for the \$30 going to the first prize winner. Close to 50 boys and girls will work hard, also, for the beautiful \$150 Jersey heifer calf, donated by Crandall & Linn of Salem, to the high scoring boy or girl. The dairymen's wives present will have a judging contest, also, with the same rules prevailing.

## To the Public

In connection with the controversy which has arisen as to whether or not the school board forbade the use of the high school auditorium for the commencement exercises we wish to state that whoever says that the board did refuse the use of the auditorium to the graduating class, or that the minutes of the proceedings of any meeting of the board state that the board took such action is ignorant of the facts in the case.

The minutes are on file with the clerk and we ask the public to investigate them.
