22	Threatened removals, including loss of only one year's pay roll	2,218,500
31	Cases as to which definite amounts are not available, but which would amount to many millions; damage listed as.....	0
34	Cases still under investigation; would amount to many millions; damage listed as.....	0
21	Cases in which reported removal or investment elsewhere was stated to have been caused by the income tax, but which cannot be verified in writing; damage listed as.....	0
	Total recorded damage.....	\$41,252,350

We have examined the signed statements and exhibits upon which the foregoing tabulation is based and find that the total of \$41,252,350 is a conservative estimate of damage properly attributable to the state income tax as a determining factor in influencing decision against Oregon investment in the cases listed. We also find that many additional amounts could have been included justifiably in the total, so that, making every allowance for possible overstatements in individual items listed, the actual loss of investment attributable to the state income tax is materially in excess of \$40,000,000.

ESTACADA HIGH SCHOOL WINS FROM GRESHAM

Estacada Scores Two Touchdowns in First Quarter.

Estacada 27—Gresham 6

In the football game last Friday on the Estacada field between E. H. S. and Gresham High the E. H. S. won from the visitors in a score of 27 to 6.

E. H. S. received and opened up a brilliant aerial attack that completely overwhelmed the Gresham team, scoring two touchdowns in the first quarter. The boys showed that they knew football too. Time after time the sturdy line of Estacada would open holes for Saling and Jennings to plow thru. Coach Giddings has shown that E. H. S. has still got the "old fight" in them, which wins the interest of the fans; and it is hoped the high school will keep on fighting, and show that weight only doesn't count in football, but brains and fight. From the showing the boys made last Friday, which was their first game, it convinced the fans that they can beat any team of their own calibre. Fight, Fight, Fight, for that is what counts, men.

A clean game was played last Friday between E. H. S. and Gresham. The score was 26 to 6 in favor of the E. H. S. team. Many of the teachers and students from Gresham attended the game and an excellent school spirit was shown by both high schools. The next game will be played Friday with Scappoose, at Scappoose. When the two teams clash it promises to be a pretty hard fight.

Last Friday morning, which was Frances E. Willard Day, the students of the E. H. S. were entertained by Rev. Clay who gave a very pleasing talk about the life and work of Miss Willard. Frances E. Willard has probably done more for her country than any other woman. She was the president of the W. C. T. U. for a number of years and toured the U. S. speaking in every city which has a population of ten thousand or more, and many cities much smaller. Her talks were always interesting so she always had large crowds around her. Through her the younger generation of her time were taught to "sip no wine," so when it came time for them to vote, they passed the eighteenth amendment. Because Rev. Clay at one time had the good fortune of meeting Miss Willard, was perhaps the reason why his talk was so interesting. Wilma Kitching, who has been out of school several weeks because of sickness, returned this week.

Football Rally

A rousing football rally was held Thursday night, Oct. 23, by the students of the high school, to stir up enthusiasm for the game the following day with Gresham. The students serpentine down town from the high school and formed in a group on Broadway to give their yells. Afterwards they gathered around the Freshman bonfire back of the city hall, where short talks were given by Coach Giddings and Mr. Wilson, at the request of the yell leader. Games were played until nine o'clock, when the farewell signal was given.

Meet the gang at Dinty's.
