Last week Mr. Stephens gave
another talk on banking, the third
of the series. Important subjects
on which he touched were the in-
vesting of money, avoiding specula-
tion, the farming and the banker,
foreign banking, and the impor-
tance of saving. Students may now
write their essays on any phase of
the banking business. During the
series of banking talks the high
school students have learned many
things which will be helpful to them
throughout life.

Last Friday noon the students of
the high school held a rally on the
streets to and from school, for the
purpose of advertising the Canby
game. They marched down Main
street and crossed to Broadway
where they stopped and gave a few
yells, after which they went back to
the high school.

Friday evening at the High School
Gym, the two home teams met the
boys' and girls' teams from Canby.
The girl's team of Canby was vic-
torious, the score being 24-30, in
their favor. The regular Estacada
team, which is composed of the fol-
lowing players: Avis Cadonau, R.
C.; Irene Hayden, J. C.; Irene Kaake,
F.; Goldie Brown, F.; Erma Jones,
G.; and Florence J. Reed, G. made
a fine showing, even if they were
beaten. Edna Bates was Sub-Cen-
ter and Myrtle Hall was Sub-Guard.
Irene Kaake made the largest indi-
vidual score.

Our boys' team beat Canby with
a score of 20 to 16. The regular
team is composed of the following mem-
bers: Jim Jennings, C., who made
the largest personal score; Dan
F.; Ted Saling, G. and Maurice
Bullard, G.; Harvey Woodworth, G.

On March 6 the two teams from
Corbett will play on the home floor.
This is the last game of the season,
so be sure and come, for you will
miss a good game if you are not
there.
