President Ames stated that a committee had been appointed to wait npon the city council with a view "Square to interesting them in the construc-1t ticn of a proposed new city hall and club house combined. This met with favor and steps had been taken to find the cost of securing the block of property now occupied by the city hall and auto park.

The chairman of the publicity committee had sent a sample of the clay found in this locality to O. A. C. where testing showed that it was of an unusually high grade and an article concerning this had been sent the Oregon City Chamber of Commerce which will appear in one of their publications soon.

The plan of offering a suitable prize to the best kept lawn and floral display at the annual Labor Day celebration was discussed and a motion was made and duly carried that a committee be appointed to week in April will be very impor- make such arrangements.
