## FIRE DESTROYS LINN HOME LAST FRIDAY

Shortly after noon last Friday,  
the home of Mr. and Mrs. Norman  
E. Linn of Currinsville was de-  
stroyed by fire. It is supposed  
that a spark from the chimney, fanned  
by a terrific east wind, ignited the  
roof, getting beyond control be-  
fore being discovered.

Quick work on the part of the  
neighbors and those passing along  
the highway at the time who gave  
assistance saved a portion of the  
household effects on the ground  
floor while many pieces of furni-  
ture and personal effects valued for  
their intrinsic worth could not be  
saved, so rapidly did the fire spread  
to all parts of the building.

Unfortunately the fire started  
next to the room housing the  
pumping system and rapidly  
spread in that direction which  
made it impossible to use it in ef-  
fectively combatting the flames.

The house, a two story frame  
building of eight rooms with a  
modern plumbing system was par-  
tially covered by insurance.

It is understood that Mr. and  
Mrs. Linn contemplate the erection  
of a new home close to the site of  
the one just destroyed.
