Get the Red Crown Mileage Card
 Out of its years of experience in the making of gasoline, the Standard Oil Company has developed a gasoline that not only gives quick starting, speed and power, but also a maximum of MILEAGE for your summer touring.
JUST OUT TODAY!
 The Red Crown Mileage Card—just out today—makes increasing your summer mileage and cutting down gasoline costs as simple as a-b-c.
 You saw what record mileages the expert economy-run drivers made in the Yosemite Economy Run! How? These drivers used "Red Crown," the mileage gasoline, and they know how to drive to get the mileage that's in "Red Crown."
 "Red Crown" is simply crowded with mileage—we have put it in there—and, like the economy-run drivers, you can get more and more mileage out of it!
HOW THE RED CROWN MILEAGE CARD ADDS MILES
 The Red Crown Mileage Card is thoroughly practical. It tells you just what to do for your car—just how to drive—to get anywhere from 15 to 30 miles extra per tankful from "Red Crown." Get your tank filled with "Red Crown," ask for your Red Crown Mileage Card and begin getting extra summer mileage today—at the first Red Crown Pump (red, white and blue)—at Standard Oil Service Stations and dealers.
