ESTACADA CELEBRATION PLANS OUTLINED

Considerable interest has been
aroused among the various frat-
ernal orders in the community by
the thirteen inch silver cup now
on display in the window of the Es-
tacada Pharmacy, which will be
awarded as the first prize to the
order securing first place in the
competitive drill work put on the
Fourth.

Each order will be given fifteen
minutes to stage their drill and dis-
interested judges will determine
the winner. Three important
points to be considered by the
Judges in this contest will be the
display of the flag, precision of
movements and appearance. No
drill team will be allowed to use
any drawn diagram to aid in put-
ting on the work. The contest
will be staged on Broadway be-
tween Second and Third streets.

At 11 A. M. a patriotic pro-
gram will be given in the park
with Mayor H. C. Stephens pre-
siding. This program will consist
of music by the Estacada Band;
the Singing of America; speaking
by an Estacada boy orator; read-
ing of parts of the Declaration of
Independence and the Preamble of
the United States Constitution by
Rev. Ira F. Rankin; oration by
Rev. B. F. Clark; a short "Defense
Day" program will follow this and
the Stars Spangled Banner will be
sung. The national salute will be
fired at noon.

In the afternoon the big attrac-
tion will be a boxing bout staged
under the direction of the Estaca-
da Boxing Commission and the
supervision of Bobby Evans of
Portland.

A baseball game between Barton
and Estacada will be played during
the afternoon and this will be fol-
lowed by races and sports and a
band concert. During the after-
noon a jitney dance will be held
in the pavilion.

This celebration in Estacada,
Saturday, July 4, is under the
auspices of Carl Douglass Post of
the American Legion assisted by
various representatives of the en-
tire city.

LOWER EAGLE CREEK

The ladies of the Missionary So-
ciety met at the home of Mrs. Guy
Warren Wednesday afternoon, with
about ten members present.

LINN FAMILY REUNION

The seventh annual reunion and
picnic of the Linn family will be
held at Dinty Moore's Park on
Eagle Creek, August 2, 1925.
This park is a portion of the origi-
nal Linn Place and was perhaps the
real reason for the selection of the
site for the annual reunion. All
the relatives of the family are in-
vited to attend and an interesting
time is planned.

J. A. SHIBLEY PURCHASES THOROUGHBREED GUERNSEY

J. A. Shibley and son Everett of
Springwater recently topped the
sale of the Guernsey cattle sale
held at the W. A. Goodwin farm at
Cornelius when they paid \$600
for "Rose City Beauty", a Guern-
sey cow who is an outstanding in-
dividual. She was born December
16, 1921, and was the winner of
the first prize as a Senior yearling
at the Pacific International Live-
stock Exposition in Portland in
1923. In an official test she pro-
duced 115 pounds of butter fat in
90 days after freshening at the
age of 17 months.

"Rose City Beauty" carries some
of the best Guernsey blood and is
from the "Imported King of the
Maid" blood contended to be one
of the best Guernsey sires ever
produced.

Mr. Shibley purchased another
Guernsey cow at the same sale
and with these two now has a herd
of 22 head of registered Guernsey
cattle, having purchased a number
of head of Guernsey Island stock
a few years ago.

The berry growers in this vicinity
began the harvesting of their
crop Wednesday morning. The hot
east wind has done considerable
damage it is reported.

TWO ESTACADA BOYS BEFORE JUDGE CROSS

James Baker and Eddie Barr of
this city were arrested last week
by Vancouver, Wash., authorities
when young Baker was found in
the possession of a gallon of moon-
shine whiskey. The lads were
turned over to Clackamas county
authorities who questioned them
concerning the source of the
liquor. Baker, it is understood, ad-
mitted that his mother was en-
gaged in the manufacture of the
product and learned that she re-
sided near Gladstone. Officers
raided the home, finding about 30
gallons of the finished product.
This liquor when tested contained
a very high per centage of alcohol.

The boys were given a hearing
before Judge Cross in the Juvenile
court and Baker was committed to
the Boys Reform School at Salem,
but paroled during good behav-
ior. He must report to Constable
Marshall every two weeks and for-
feit his driver's license for one
year.

A somewhat similar sentence
was imposed upon Eddie Barr and
was paroled by Mayor Stephens.

Mrs. Baker's case will come be-
fore the grand jury at the next
meeting.

DELPH CREEK HATCHERY TO PLANT MANY TROUT

According to a report received
from J. C. Moreland, Superintendent
of the Delph Creek Trout
Hatchery, the number of fish to be

will be almost double those of last
year. At the present time he has
on hand 3,700,000 trout and will
receive a shipment of 300,000 dur-
ing the summer, making a total of
4,000,000 trout which he expects
to plant in the streams of Clack-
amas county and principally in the
eastern part of the county.

Last season 2,200,000 fish were
planted from this hatchery. This
should prove of interest to the
fishermen of this locality.

POMONA GRANGE HOLDS SESSION EAGLE CREEK

The Clackamas County Pomona
Grange met with the Eagle Creek
Grange, Wednesday, June 24, with
a large delegation of County gran-
ges represented. Most of the day
was spent in transacting grange
business. The most important mat-
ter brought before the meeting
was the attitude of the Oregon City
business men toward the Grange
Bulletin, official publication of the
Oregon State Grange. After a
lengthy discussion between mem-
bers of the grange and represen-
tatives of the Oregon City busi-
ness men, who were represented
by E. A. Koen, editor of the Ban-
ner-Courier and Mr. Huntley of
the Huntley-Draper Drug Company
the following resolution was sub-
mitted to the grange by the resolu-
tions committee and rejected by a
very close vote.

"Whereas, there seems to have
been some misunderstanding be-
tween our members and the busi-
ness men of Oregon City over the
matter of advertising in the Oregon
Grange Bulletin, and

"Whereas, after listening to the
business men of Oregon City and
getting their version of the matter,
we believe that our criticism was
based on misunderstanding,

"Therefore, be it resolved that
we hold no ill feeling toward the
business men of Oregon City for
their refusal to advertise in the
Oregon Grange bulletin and that
we believe their refusal to adver-
tise under the conditions and rates
presented was only good business
on their part."

Another resolution favoring the
giving to the entertaining grange
the sum of \$25 was adopted.

Mrs. Minnie Bond of Eugene,
State lecturer was present for the
meeting.

One of the outstanding features
of the day was the appearance of
