

Fordson

The Farmer's Most Reliable
Hired man.

"To put the farmer on a par with the city manufacturer. To put his produce factory—for that is what a farm is—on an efficient production basis." Spurred by this ideal Henry Ford brought the Fordson Tractor into being.

Ten years have elapsed since the introduction of the Fordson. Built primarily for the farmer, the greater part of the 400,000 Fordsons that have been produced are a big factor in making thousands of farms more productive—and with greater returns to their owners. Farm profits do not come from greater and better crops alone, but depend much upon time and labor and the results of diversified farm activity. Fordson methods are directly responsible for the profits that result.

Enlist the aid of the Fordson now for greater farm profits. Ask your own neighbors who own Fordsons and give Bob Cooke a chance to show you how Fordson farming will be more profitable for you.

GARFIELD ITEMS

Mrs. E. Kelsey and daughter, Dorethy of Seattle are the house guests of Mrs. Sam Dunlap.

Mrs. W. R. Reed was hostess to one of the most enjoyable Skip-a-Week club meetings. Eleven members and six visitors enjoyed the afternoon. A group of songs were sung by Mrs. E. Kelsey. Mrs. Char. Duncan was elected president and Mrs. M. G. Weatherly secretary-treas. A delicious five o'clock tea was served at flowered decked tables on the porch. Mrs. Walter Shiner will be the next hostess, July 9.

Mr. and Mrs. McBroom moved to Salem last week.

The Garfield Juvenile degree team went to Milwaukie last Saturday and put on the Juvenile work at the Milwaukie grange.

The ice cream and strawberry social given by the Skip-a-week club last Wednesday was a big success. Festoons of purple and gold, the club collars decorated the hall and baskets of ferns, larkspur and yellow daisies adorned the tables.

The July meeting of the Garfield Grange will be held Wednesday evening, July 1st at 8:00. The Juveniles will meet at 3:00 p. m.

Mr. and Mrs. M. G. Weatherly and Gilbert attended the Molalla District Sunday School Rally at Bear Creek, Sunday.

LIFE'S GREATEST GAME

The swirl of grey waters in her wake—the giant engines driving her on smoothly across the Atlantic—then the terrific hale from the lookout—the vicious bulk of the great iceberg—the crash—the stab of the ice below her water line, panic, screams, creaking blocks, capsized lifeboats, pandemonium, and darkness, as the great ship sinks, bow first, to her watery grave.

Epitomizing the human qualities of baseball—eulogizing the Honor and Faith and Good Intent of the great National game—swinging on to new principles of Drama, "Life's Greatest Game," at the Liberty Theatre, Sunday and Monday, will go thundering down the motion picture ages as a new monument to the Cinema Art!

THE FARM HOME BENEFIT IS A SUCCESS

The W. C. T. U. Farm Home benefit given Monday evening in the Masonic hall was a decided success and about \$25 will be turned over to that fund.

A program consisting of selections by the band; Violin and piano numbers of Mr. and Mrs. Theodore Ahlberg; a clever Dutch song, Mr. and Mrs. G. E. Lawrence; group of finger plays by Jean Sarver, Phyllis Cary and Jean Grabeel; recitations, Hugh Hassell and Cecil Cahill; song by four girls; song by a group of children with Wanda Carter taking the solo part dressed as a news vender.

Following the program everyone enjoyed the group of children's games and refreshments were served during the evening.

SWEEPSTAKES OF THE LOS ANGELES-YOSEMITE ECONOMY RUN WON with ZEROLENE

The Los Angeles-Yosemite Economy Run of May 22-23—the ranking stock car event of its kind in the United States, gave motordom new official mileage records to vie for—and another impressive victory for Zerolene!

The Rollin, lubricated with Zerolene, carried off the sweepstakes—winning the award for the highest efficiency and gasoline economy established in the run. Piloted by Joe Bozzani, the Rollin's gasoline economy record for the 360 mile run from Los Angeles into the Sierras to Camp Curry was 27.43 miles per gallon of gasoline.

When Zerolene brings in the Sweepstakes Winner of the most competitive motoring event of the year—when it is the choice of more motorists in the Pacific Coast states than any other oil made—won't it pay you to use Zerolene—a better oil even if it does cost less?

and note

The Rollin and all other cars in the run used Red Crown gasoline exclusively—the best buy in town—by MILES!
