"Fishing" Made Easy

An ideal stream for the lazy or im-
patient fisherman, who craves nourish-
ment rather than the thrill of the
catch, has been discovered by Interior
department engineers in the inacces-
sible, turbid San Juan river, one of
the main tributaries of the Colorado in
Utah. The swiftly flowing San Juan,
called Pawhuska (mad water) by the
Navajo Indians who live nearby, never
gets clear and sometimes it carries
three times as much silt as water. At
times the river runs with a smooth,
oily movement like that of molten
metal, so red and viscous is it with
silt. At such times the fish become ex-
hausted and founder on the surface,
their dorsal fins projecting into the air.
Then the fisherman needs only to arm
himself with a club and wade cautious-
ly into the mud to catch a fish with
bare hands after he has stunned it
with a blow.

Mr. and Mrs. Ralph Ahnert are
receiving the congratulations of
their many friends upon the birth
of a daughter last Friday. The
young miss weighs nine pounds
and has been named Frances Jen-
nette.

LEGION HAS ALL READY FOR BIG CELEBRATION

Through the generosity of the
P. E. P. Company, the Carl Doug-
lass Post of the American Legion
have been granted the free use of
the Estacada park and are in re-
ceipt of a donation from the same
company of \$100 toward the cele-
bration they are staging in the
town on Saturday, July 4.

The plans for this day are varied
and it is hoped that all may find
what they desire in the many en-
tertainment features scheduled.

The activities of the day are
to start at 10:00 a. m. with the
competitive drill contest put on by
the various fraternal orders on
Broadway between Second and
Third streets. The cup to be
awarded the winner in this contest
has been on display in the window
of the Estacada Pharmacy. It is
understood that at least four or-
ders are putting forth an effort to
secure the handsome cup.

The Patriotic program will be
held at 11 a. m. in the park with
Mayor H. C. Stephens presiding.
The oration of the day will be de-
livered by Rev. B. F. Clay of the
Christian Church and Rev. Ira Ran-
kin, pastor of the M. E. Church,
will read portions of the Declara-
tion of Independence in the Pre-
amble of the Constitution. The
Estacada band will furnish the
music, and a short Defense Test
Day program will be given.

The national salute will be fired
at noon.

At one P. M. a boxing bout will
be staged in the baseball park for
those particularly interested, while
dancing in the pavilion will follow
the noon hour. After the boxing
bout, a baseball game will be
played between Barton and Estaca-
da. Considerable rivalry exists
between these teams and the regu-
lar fans are eagerly looking for-
ward to this game.

The special band concert will be
held at 3:30 P. M., followed by
the sports and races which will be
held on Third street between
Broadway and Main. One of
the special events will be a
"chicken scramble" which you can't
afford to miss; a 75 yard dash for
boys 14 and 18 years; ladies' bean
race; sack race for boys 8 to 14
years; 100 yard dash for men.
A bucking Ford contest will be
held during the day.

at 8 P. M. will wind up the day's
events. Various booths and con-
cessions will be in the town to
care for the needs of those desir-
ing such.
