LOOK OUT FOR SELF POISONING

Neglect of the liver results in self poisoning! Not so quickly, perhaps, but just as surely as if you drank poison out of a bottle. If your liver is not doing its work of helping digestion, eliminating waste from the bowels and purifying the blood, you will always be troubled with sick headaches, nausea, biliousness, bad breath, gas, sour stomach, or constipation. Cleanse and tone your liver! put your system in condition so you feel your very best again! Try just a spoonful of Dr. H. S. Thacher's excellent Liver and Blood Syrup after the next few meals and notice the quick improvement in the way you eat, sleep, look and feel—the return of health, vigor and energy. You will be completely satisfied; otherwise there will be no cost.

FREE! This Coupon is Good for Sample Bottle.

Dr. Thacher's Liver & Blood Syrup if presented before the supply for free distribution is already given away. Read the full details above, then act at once, as this offer is limited. Get a trial size now by presenting this coupon to THE ESTACADA PHARMACY.
