The Brown Swiss people are going to be very proud of themselves this year. Brugger is here as always with his splendid string. Boeckli of Linnon and his colleague Grossen are also out. Bohart of Montana, the famous yodeler of the Brown Swiss breed, will be here with everything he has. Schmidt, of Wisconsin, one of the celebrated eastern breeders, has indicated that he hopes to come. On top of that there will be other Brown Swiss from up and down to the Northwest. The Brown Swiss are becoming very strong in this part of the country and seem to be typically a good farmer cow, one that gives good returns with steady persistent care.

Hall's Catarrh Medicine

Those who are in a "run down" condition will notice that Catarrh bothers them much more than when they are in good health. This fact proves that while Catarrh is a local disease, it is greatly influenced by constitutional conditions. HALL'S CATARRH MEDICINE consists of an Ointment which quickly relieves by local application, and the Internal Medicine, a Tonic, which assists in improving the General Health. Sold by druggists for over 40 years. P. J. Cheney & Co., Toledo, Ohio.

Six men killed, three wounded in Oregon by hunters "who thought they were deer." Yet, we become excited over war clouds in the distant Balkans.

Probably the next thing to expect is a bill in the legislature extending war bonus privileges to deer hunters.
