

Now greater value than ever before

Lines of beauty combined with proved Ford reliability have made Ford cars a better value today than ever before... Only through Ford facilities and economics of volume production is it possible for Ford owners to enjoy such high quality and striking beauty at Ford prices.

The reliability of the Ford car so universally recognized has long commended this car to you. Now the attractiveness and added comfort and convenience of the improved body type make the Ford more than ever the desirable car to drive.

Visit the show room of your authorized Ford dealer and see for yourself the many refinements and new features which have been combined with improved outward appearance.

You will find in any Ford car you would like to own an outstanding value.
