STRADIVARIAN CONTEST

Beginning with Feb. 2nd., the Liberty Theater will stage a contest between old violin players of old time dance music, which was played for what is called square dances that were leading numbers in important functions when dancing was the chosen amusement of the entertainment. Such as "Lancers, Virginia Reel, Scotch and Irish reels, Minuet and numbers with similar steps. The Minuet is probably as old as any of these dances, a slow, easy, graceful step, originated in France sometime during the 17th century and has been adopted by nearly every court of civilized government and was the leading dance in this country for more than one hundred years. It is still danced at all National functions with our people. These dances will be staged after the violin contest is over, by the uniformed brass band of Estacada at the Masonic hall. The encore will determine the standing of each contestant at the performance.

Teachers Meet in Estacada

Clackamas county school teachers and officials will meet in the high school building in Estacada February 13 in an all-day session when a program of business and speaking will be taken up. A business meeting will open the session at 10:15 o'clock in the morning, with R. M. Kirk, president of Clackamas county division of the Oregon State Teachers' association presiding.

"School Revenues and Taxation" will be the subject of a talk by Brenton Vedder, county superintendent of schools. J. L. Gary, superintendent of the West Linn high school, will discuss "Scholarship Awards."

Colonel Crossley, Colonel Clark, Ered Steiwer, and the other candidates opposing Senator Stanfield, say they have had encouraging promises since the Junior Senator was proscribed. No announcement has yet been made as to the identity of the lucky recipient of the dry vote; Colonel Kilfeather thinks it will be given to Mr. Steiwer as a reward of merit. Occupying my customary position as a mere outsider, I am watching with amused interest the movements of Senator Gus C. Moser and Senator George W. Joseph. They have been urged and importuned to "announce" themselves, but neither have done so; but I feel confident if Mr. Joseph enters the race, Mr. Moser will also be a contender.

A deal of pressure has been brought to bear on Judge Charles H. Carey to induce him to become a candidate, but up to date he has not declared his intentions. Until he does, the real race for the senate will not begin, as a great many influential citizens have him as their first choice.—Spectator.

A good lively time for all, where, at the Community club meeting Friday night, January 29, at the Estacada hotel.

DOUGLASS MILL GOSSIP

Mrs. Lloyd Royse accompanied by her small son went to Portland Monday evening.

The mill has been in full operation since the weather turned warmer. It was closed down for a week during the coldest part of the month on account of the logs being frozen. Quite a number of the mill folks are ill or have been quite recently. Mr. LeRoy is still confined to his home with a very severe cold. Mrs. Lee Shaw was confined to her bed for several days last week. Little Ralph De Shazer has been ill since Christmas and the doctor desires that he be kept indoors at least six weeks longer. Little Lawrence Royse has been suffering with abscesses on his right ear. His mother has taken him to Portland and put him in the care of a baby specialist. Mrs. Lennie Gibson and Miss Edyth Peters were visiting Mrs. Lee Shaw Monday evening.

Mr. and Mrs. Joseph De Shazer and daughter Violet were the guests of Mr. and Mrs. Ralph De Shazer on Sunday.

Pluss Cahill has taken the contract for falling and bucking for Roy Douglass. The first day his helper fell and severed an artery in his arm. He was rushed to a doctor and is doing nicely. It is said the accident was caused by the man not having any corks in his shoes.

Pete Chester, according to the last reports, is not improving as rapidly as his friends and family would like. He was injured in the woods several weeks ago, when a piece of steel from a wedge struck him in the eye causing him to lose the entire sight of that member.

Carl Rebgury has been a frequent visitor at the mill the past week.

A good lively time for all, where, at the Community club meeting Friday night, January 29, at the Estacada hotel.

MIDNIGHT EXPRESS. Don't fail to see this as it is a good show. Worth more money but shown at the same prices, 10c & 25c.

Ford
THE UNIVERSAL CAR

Power-60% of the Total Cost of Farming

Power, according to the U. S. Department of Agriculture represents sixty per cent of the total cost of farming. By far the largest item of farming expense, the cost of power has a tremendous effect on farm products. The ability to accomplish a certain amount of work, quicker, with less labor and at the right time, are outstanding reasons why Fordson power is cheaper and can make your farm more profitable.

Tractor Power-50% Reduction in Farm Labor Costs

A government survey of the cost of power used on farms shows that tractor power on the average costs 12 1/2 cents per hour while the cost of animal power averages 25 cents per hour. This is exceptionally convincing proof of the economy of tractor power for farm work. The Fordson, with its low first cost and low operating and upkeep expense, is proving the most economical power available for the majority of all farm jobs.

LOWEST TERMS

MOST folks buy their car on the installment plan. The General Motors Corporation, with assets of over a half Billion Dollars and One Hundred and Thirty Million Dollars in cash on hand, with no loans from banks or other outside sources, offers to the public what we believe is the lowest charge possible to obtain anywhere for a purchaser who desires to buy on terms. All Chevrolet dealers have the General Motors Time Payment Plan available to their customers. If you buy on time, (as most purchasers do) you certainly should investigate and compare General Motors' charges for time financing as against any other. In many instances your present car will be of sufficient value to cover the down payment toward a new Chevrolet.
