PICNIC AND RODEO IN ESTACADA PARK

Several hundred people gathered in beautiful Estacada Park on Sunday to enjoy the picnic and rodeo sponsored by the Longshoremen's Union and Waterfront Workers of Portland.

In the afternoon a wild-west show or rodeo was staged under the supervision of Mr. Everett Wilson. Several wild horses were ridden very well and other stunts including a wild and furious potato race was featured. "Red" Shaniko seemed to be the popular rider of the day.

In the evening a fine dance was given in the pavilion with a fine orchestra from Portland furnishing the music, with a good crowd present.

Estacada Park is an ideal place for affairs of this nature and, now, since permission is given motorists to drive their cars into the Park there will no doubt be a number of picnics of this sort before the season is over.
