Power, Payrolls and Prosperity

As we join with Oregon City firms in sending a message of cheer to all those in the eastern part of our county, the Chamber of Commerce wishes to include an invitation to the different community organizations representing that region to avail themselves of the facilities this Chamber has for the accomplishing of mutual objectives. For committee meetings, we offer our rooms. Our secretary is ready at all times to render any possible service. Any information we may have or can get will be supplied gladly to your organization.
