

Higher Quality at Lower Prices

because of increasing Volume Production!

January, 1925—There was introduced a new Chevrolet which scored a tremendous success. Among its many new features were: a new and rugged rear axle, an improved unit power plant, a new single-plate disc-clutch, a much stronger frame, semi-elliptic chrome vanadium steel springs, cow and dash-lamps, and new Fisher bodies finished in Duco.

August, 1925—Chevrolet announced a new measure of value based on many new quality features—such as motor-driven Klaxon horn, improved sheet metal construction in the bodies, corrugated steering wheel with walnut finish, new headlamp rim construction and a more convenient gear-shift lever. Yet, despite all the additions the Coach was reduced to \$695.

January, 1926—Another spectacular increase in Chevrolet value—a model offering many mechanical improvements, such as a smoother, quieter motor with three-point suspension, a silent V-belt generator drive, new oil pump, more efficient cooling, an air cleaner, larger brakes, etc. Notwithstanding these improvements the Coach was reduced to \$645.

and now—

- City Touring \$525
- City Coupe \$625
- City Sedan \$695
- City Sport Cabriolet \$715
- City Landau \$745
- City Truck \$395
- City Truck \$495

The Most

Beautiful Coach In Chevrolet History!

Climaxing all of Chevrolet's previous value triumphs, the Chevrolet Coach of today is acclaimed as the outstanding closed car value of all time. Beautiful new Fisher bodies—paneled and beaded, rakishly low and finished in new colors of genuine Duco... full-crown, one-piece fenders... bullet-type headlamps... AC oil filter and AC air cleaner... finer performance, greater riding comfort and remarkable steering ease! A car so marvelously beautiful that you must see it to appreciate it—Yet the price has been reduced to \$595.

week by the Mid-Columbia V. getal. Growers' association. The first shipment was made March 22.

Although large crowds daily visit the Sandy river, smelt are not running heavily this year. Troutdale residents declare there are fewer fish in the stream than for many seasons.

Divorces and marriages ran a close race in Multnomah county during the month of March. One hundred and thirty-four marriage licenses were issued and 132 divorce suits filed.

Mrs. Amanda Gardiner Johnson, 94, formerly a negro slave, died in Albany last Monday at the home of her employer, Miss Maude Henderson, a direct descendant of her original owner.

With three rowboats lifted and whisked away a distance of 50 feet, and other craft turned upside down and hurled into the water, Oak Grove witnessed a miniature cyclone recently.

It is thought that children bent on having school dismissed some months ahead of time kindled two fires in the basement of school 87, five miles east of Milton. Little damage was done.

If a committee appointed by the Union County Pomona grange to canvass farmers of the valley reports favorably a producers' public market will be established in La Grande this spring.

The Willamette river closed April 1st to commercial fishing. The season will reopen November 15. Chinook salmon have been running freely, but the height of the run had not been reached.

The most rain for March since 1922 fell in Eugene last month, according to the report of the local weather observer. Precipitation was 2.87 inches, the highest since 6.28 inches fell five years ago.

Sam Laughlin, cashier of the Yamhill State bank, was appointed a member of the state industrial accident commission to succeed Dillard Elkins. Mr. Laughlin will assume his new duties May 1.

One automobile was demolished, another was damaged and Edwin Burke, an employe, narrowly escaped death when 70 tons of bundled paper crashed through the floor of Paul Tragilo's warehouse in Salem.

One man, Bert C. Pickman of Portland, sustained a fatal injury subject to the provisions of the state workmen's compensation act during the past week, according to a report issued by the state accident commission. Hickman was a barrel maker by profession. There were a total of 608 accidents reported to the commission during the week.

Mrs. E. E. Hurley of Umapine, living six miles from Freewater, was seriously burned when gasoline, which she was using for cleaning purposes, exploded. The Hurley home was burned and a baby was injured by the explosion.

La Grande's building permits for the first three months of 1927 total \$545,205, which is a larger figure than for any one year in the city's history. Permits for March also set a new record, calling for \$275,690 worth of new construction.

Cheap Sacking Material
 No material is manufactured at a smaller cost than gunny. It is a strong, coarse sack-cloth manufactured chiefly in Bengal from jute, but to some extent also in Bombay and Madras from sunn hemp. It is also manufactured in Dundee, Scotland, from jute imported from Bengal, and in a small way of late years in the United States. The weaving of gunny is a great domestic industry in India. It gives occupation to men, women and children. Boatmen employ themselves weaving in their spare moments, as do farmers, carriers and even domestic servants. The weaving is performed upon the rudest kind of loom, consisting merely of a few sticks and poles fastened together with twine.

HIGH SCHOOL NOTES

By Lillian Duncan

According to an ancient and honorable tradition, "All Fools' day" was welcomed in proper style at the high school. Many and varied were the costumes, and cameras clicked steadily. In spite of the day, however, classes went on as usual.

The annual freshman-sophomore tug of war was held at Rivermill in connection with the celebration. Was the water cold? Ask the frosh!

Estacada had the pleasure of having Mr. Gary, principal of the West Linn high school visit the school last Monday. Mr. Gary, in mentioning the football game played between the two schools, made allowance for our defeat, saying that West Linn had an exceptionally strong team this year. He added that most of their better men are graduating this year so that we may hope to make a better showing next season.

Estacada will enter the baseball season by playing Canby Friday at Canby. We are hoping that it will start the season rolling for E. H. S.

"A Strenuous Life," the junior class play, is progressing rapidly. Keep the date April 15 open and come to the high school prepared to enjoy the evening.

Helen Perry, a senior at Estacada, won second place in the contest sponsored by Sigma Delta Chi, men's national professional journalism fraternity, at O. A. C. for her story of the recent educational exposition. Estacada has had a good rating for the last three years, winning first place two years ago, and fourth place last year.

EYES Are Precious
 I treat them accordingly. A complete optical service that pleases and satisfies. Dr. Freeze eye specialist. Masonic building, Oregon City.

FOR SALE OR TRADE—Pigs, Geese, Turkeys. Very fine six weeks old pigs for sale. Also turkey gobblers for sale, or will exchange them for turkey hens. 13 geese for sale, or will trade for cow or heifer. Call at old John Seaquist ranch at Springwater. 27c

ABOUT 12 TONS of baled clover and timothy hay. \$15 per ton. Walter Douglas, Upper Eagle Creek 27c

MONTH LEASE on 4 room house in Estacada. Also 6 month lease on 10 acres, 1/2 mile out on County road with nice creek, 5-8 acre ready for garden, part in potatoes free wood, all for \$30 with chance to buy same land cheap on easy terms. Call F. J. Huebschwerlen, 4th house north of planing mill. 27c

Value is the secret of Buick Success

Because of the number of Buicks that people buy, you get value in a Buick that simply cannot be equalled at the Buick price. Buick puts the savings of volume—the earnings of leadership—right back into Buick quality. That's why Buick gives the satisfaction it does—why there are more than a million enthusiastic Buick owners.
