OREGON STATE NEWS

OF GENERAL INTEREST

Brief Resume of Happenings of the Week Collected for Our Readers.

Sixteen hundred baby chicks were burned in a fire which destroyed the W. Cobb poultry plant near Roseburg. J. J. Walsh has been appointed water master for Walla Walla county to succeed A. H. Page, who has resigned.

Fred Hogg is the new market master for Oregon City. Mr. Hogg was appointed to the office following the resignation of H. W. Kanne.

The first shearing of sheep of any considerable number started at Pilot Rock last week, when the Cunningham interests clipped 1500 head.

The McCoy & Atwood general merchandise store at Wasco was destroyed in a spectacular fire that for a time threatened the entire city.

Fire broke out in the boiler room of the boys' training school near Salem and did \$2000 damage before it was controlled. The boys did most of the fire fighting.

Portland's 1927 Community Chest campaign will be staged during the week of October 21-23, according to a decision of workers at a meeting held last week.

Members of the state board of control approved the site of the new state tuberculosis hospital at The Dalles and said that work would be started as soon as possible.

Due to a surplus of receipts at eastern and middle western markets, the broccoli price broke at Roseburg last week, sales being reported at \$1.20 and \$1.25 f. o. b. Roseburg.

Nearly 300 delegates from 23 communities of both Oregon and Washington met in St. Helens in a session of associated chambers of commerce of the lower Columbia river.

Advent of spring in Klamath has been signaled by the return of great flocks of magnificent white pelicans. The birds have chosen Klamath lakes as their spring and summer habitat.

Road crews on duty in the Deschutes national forest in the coming season are to be organized into fire-fighting units, with experienced forest fire-fighters serving as foremen.

Wearing of stripes by incorrigible prisoners in the Oregon state penitentiary has been abolished, according to announcement made by Henry W. Meyers, superintendent of the institution.

Satisfactory progress on a bore through Naahkahnie mountain, which is being made preparatory to construction of a tunnel as part of the highway along the coast, was reported at Tillamook.

Prune packers and growers from all parts of western Oregon and southern Washington attended a conference held in Salem last Tuesday, for the purpose of discussing growing and marketing conditions.

Roger W. Morse, for the last four years county agent of Morrow county, has been selected county agent of Baker county to succeed Paul Carpenter, F. L. Ballard, state leader of county agents, has announced.

Farmers in many sections of Walla Walla county are warning upon ground squirrels with poisoned grain. Those who have been poisoning during the past two weeks state that satisfactory results have been obtained.

Bobbie, nationally known as the collie dog who walked back to the home of his master, G. F. Brazier, in Silverton, after he had become separated from him in Indiana, died in Portland after an illness of several weeks.

Plans were perfected at a meeting in Grants Pass last week of local poultrymen for the organization of a Rogue River valley marketing cooperative, including the growers of Jackson and Josephine counties.

Four thousand sacks of certified seed potatoes, recently ordered for farmers of the county by County Agent Donaldson, of Walla Walla county, have all been spoken for. The price, delivered at Enterprise, is \$2.70 a hundred.

The law enacted at the 1927 legislature, authorizing refunds of automobile license fees paid under the so-called peddlers act, relates only to commercial salesmen. This was the substance of a legal opinion prepared by the attorney-general recently at the request of the secretary of state.

A half-million bees to be used for the pollination of cherry blossoms in the Orchard Heights district of Polk county were received in Salem recently by H. M. Mead, so-called bee king of the Salem vicinity. Included in the consignment were 50 queen bees.

A tale of maddened dairy cows and beef cattle attacking employees of his ranch, of the death of 14 cattle from rabies of mad coyotes attacking his herd, was told at Klamath Falls by H. M. Anderson, owner of a 1000-acre ranch three miles north of Calloquin.
