ESTACADA, OREGON, THURSDAY, SEPTEMBER 8, 1927

NUMBER 49

CLACKAMAS COUNTY FAIR BOARD ERRECTS A NEW BUILDING

Construction work on the new grandstand at the county fair ground was begun Monday morning by a corps of workmen. The new structure will be 48 x 100 feet. On the first floor there will be a space of 15x100 feet to be turned over to the Boys' and Girls' Club work. It was found necessary to change the position of the club exhibits from the main pavilion to the new structure owing to crowded conditions of last year. According to John Robinson, pavilion superintendent, the pavilion will be filled even larger than that of last year, from the plans that are being made by exhibitors.

The old grandstand, which was raised Saturday, has stood for 20 years, and was in a dilapidated condition.

Among the events for the 1927 county fair will be whippet races, polo games, canoeing contests, pig and Ford relay race, dog show, bicycle and pony races for boys and girls, these races are to be on children's day, September 20, there will also be attractions put on by the Chamber of Commerce of Oregon City Thursday. This day will be known as Manufacturers and Farmers' day.

Friday, the last day of the fair will be greater Clackamas Union of Clubs' day, and a banquet will be one of the features.

Granges, community clubs and other organizations have already spoken for reservations.

The time is here when once again the schools of the state are opening to receive the youth. We are hereby reminded that the school is a clearing house for the spread of communicable diseases.

There are nearly 200,000 children of school age in this state, who will early in September will assemble in the various schools; among this number there are, no doubt, many who are disease carriers. If Oregon is to come under the wire a winner in the suppression of communicable disease she must look more closely to the protection of the children who must spend five days a week in the school room.

By making education compulsory we have automatically assumed the responsibility of keeping the school safe. It is, therefore, of great importance that all children be given a careful examination before entering school to determine whether or not they are disease carriers.

In schools the spreading of infection is a serious thing, because it is more frequently here that the infection is transferred among the children of widely separated households.

Before the opening of school a sample of drinking water should be sent to the State Board of Health Laboratory for analysis. Toilets should be inspected and made sanitary. Such precautions may prevent an outbreak of typhoid fever and prevent many deaths.

Teachers, parents and children should realize that when many children are gathered together the danger of measles, scarlet fever, whooping cough, and diphtheria is great. It is very important for teachers and parents to co-operate with the local health officer and the family physician in trying to discover and isolate these childhood diseases.

It is particularly important to do this in every family where some child is starting off to school. The school when it opens will therefore not become the medium for spreading some community.

If you have any suspicion that you may have had a childhood disease in your family during vacation time be sure to consult your family physician or local health officer before school reopens.

The moving pictures of the Dempsey-Sharkey fight will be shown at the Liberty Theatre in Estacada Sunday and Monday. You heard the fight broadcast over the radio and now you will be able to see them in action.

ESTACADA CELEBRATES REGARDLESS OF THE RAIN MONDAY

With the Weather Man Against them the Committees Went Ahead with the Celebration

The citizens of Estacada and vicinity awoke Monday morning September 5, hoping against hope that the rain had ceased, but to their sad disappointment it had not. The Estacada Band was not to be outdone by the weather man in the least, so along about 11 o'clock they marched down Broadway to the Broadway Service Station where they gave a concert that would have did justice to a much larger band, and with all the rain and dreary weather it made a person want to get out and celebrate.

Even with the unusual bad day we had on this particular day there was a fair crowd in attendance, but nothing like it would have been if it had been a bright and sun shiny day. The dance that was held in the Park pavilion was a success and everyone that attended it enjoyed themselves to the fullest extent. There were several things that were called off because of the weather, but a lot of credit is due to the folks in charge for going ahead and doing the best they could to entertain the people who had come out in the rain and the disagreeable weather to spend the day with them. The events that were carried out as planned were a success to the fullest extent and those that did attend went home well pleased even though they were rain soaked. Everything was held inside so the crowd could get in outside of the rain.

"Ginseng Lane" was a howling success and had it not been for the weather this would have been a lucky celebration. Those who were lucky to get in through the crowd to see "The Tent Thrillers, Snake Charmer, Indian Princess, The Man with Horns, The Hairless Dog, The Tail of Three Swallows, The Sweet Sixteen, etc." will never forget what they saw.

Hundreds were standing line to have their fortunes told by the long experienced "Gypsy Queen," and also in front of the Beauty Parlor, awaiting the call "next." Dr. Abbott of Portland, who assumed the role of Dr. Woo Ginseng, the Chinese Dr., was a scream. He was ably assisted by Mr. S. E. Wooster.

Mr. A. B. Carter and Miss Clara Sager of Portland are deserving a great deal of credit for the part they took in decorating and fixing up the booths in Ginseng Lane attractions

Mrs. C. Kiggins gave a birthday party in honor of her little son Lesley's 7th birthday last Saturday the guests were, Starley and Brook Snyder, Fredrick Haynes Jr., Glover Kiggins, Mildred Kiggins, Mrs. Wm. Fink and daughter Gertrude, Mrs. Evert Kiggins and Mrs. Glover Kiggins, and little Dorothy Kiggins. Cake, ice cream and cookies were served and a delightful time was had by all.

The ladies aid that met at the home of Mrs. Krieger last week, reported a very good time. Twelve were present and delicious refreshments were served, and they have their work planned out for the winter. Their next meeting will be held at Mrs. Roy Beck's house Sept. 15.

Dr. and Mrs. Wm. Dale and son Billy, Mr. and Mrs. Jack Willson and Mrs. Welch and daughter Gladys were guests at the Wm. Dale home over Labor Day.

A family reunion was held at the home of Mrs. E. S. Womer Labor Day. Those from out of town were: Paul Womer and family, and Mr. and Mrs. Floyd Sparlin and family, of Corvallis, Mr. and Mrs. Roy Woodward and family, of Oregon City and Chester Womer, of Portland. Those of Estacada were: Mrs. Ray Wilcox and family, Mr. and Mrs. Dave Eshde man and son, all had a very enjoyable day, there was 23 present.

May Rose Bartholomew who has been visiting at her aunts house, Mrs. Clyde Saling, of Corvallis, returned to her home Sunday.

Mrs. B. M. Hurst, daughter-in-law of Mrs. C. F. Hurst, is quite sick. She is back in the Deer Sanitarium in Portland.

up town instead of the park. Taking it all through, the day was much too short.

The committee wishes to thank all those who so kindly gave their services and time for this occasion. Financially speaking the affair was a success.

The old settlers who came here to enjoy themselves at the Pioneer's Day Picnic went home well pleased but thinking of the time they would have had, had the day been a nice one.

The Flower Show was fine and showed a great deal of hard work of the exhibitors and the committee in charge. This was a fine place to go even if one did not care much for flowers he would come away thinking that he had saw some of the most beautiful flowers that he would see in some time to come.

The names of the judges for the show were: Mrs. Pearl West, from the better flower magazine, she works on the classification of flowers; Mr. Chenowick, of Portland, Dahlia and Gladioli specialist; Mr. Fred Borsch, of Mapleton, preaniel and annual expert, the judges were people that make flowers their study and understand the different varieties and could see points of merit that amateurs could not see. Some seem to think the prizes for Dahlias were for special display but they were for general display as it would be hard to offer prizes for each species as there are so many different kinds.

The president and others appreciate the people's efforts and work that they put in on their displays and think that everyone was excellent.

Those winning prizes were: First—General, Mrs. Ames; Second, Mrs. Bartholomew; Third, Mrs. Sarver. Asters—First Mrs. Bartholomew, Second, Mrs. Guttridge, Third, Mrs. Wooster; Gladioli—First, Mrs. Robbley; Second, Alice Huxley, Delphinium—First, Mrs. Ames; Second, Mrs. Kiggins, Marigold—First Mrs. Bartholomew, Zinnias—First, Mrs. Ames, Second, Mrs. Bartholomew, Daisy—First, Mrs. Robbley, Dahlia—First, Mrs. H. Kitching; Second, Mrs. Sarver.

Taking the Labor Day Celebration and the Pioneer Picnic as a whole, it was a decided success in spite of the weather.

A surprise party was given on Mrs. John Nortland Saturday evening by a bunch of her friends from Portland. Delicious refreshments were served, there were about 20 guests present and they presented Mrs. Nortland with a lovely set of table silver.

Little Lois, daughter of Mr. and Mrs. S. E. Lawrence, celebrated her second birthday at the home of her uncle C. B. Lawrence last Thursday evening. Other relatives were present and appropriate refreshments were served, and she was very proud of her cake that was decorated with animal crackers and which she termed the circus cake.

Miss Edith Harkinrider has returned from her vacation and is back working at the telephone office. She was up in Eastern Oregon for three weeks.

Rev. Simms will preach both the morning and evening sermon at the M. E. Church Sunday. They did not leave town the first part of the week as reported and will be here for some time yet. Sunday School 10 o'clock, Church 11 in the morning, and 7:30 in the evening.

The new minister of the Christian Church, D. E. Dent, will preach both morning and evening services at the Christian Church. Rev. R. E. Dent teaches in the Gresham high school.

Mrs. Jerry Wilcox, State President of the Auxiliary of the American Legion of Antelope, Ore. was visiting relatives and friends here last week. She left Saturday for Paris, France to attend the convention there.

Mrs. Mary Adams visited relatives in Portland several days last week.

SPRINGWATER FAIR WILL HAVE LARGE TENT FOR LIVESTOCK

The 5th Annual Springwater Fair will be held at Springwater, Oregon, Friday, September 16, 1927. The Springwater Fair Board has been working hard to make this the biggest and the best fair of them all and they have offered a premium list that is far out of the ordinary for a fair of this size and kind. If you have not received a copy of the premium list it will pay you to get one and look it over and see what they are offering.

Mr. Shearer says that the plans are almost completed for the fair and there is no doubt that this is going to be the best fair that was ever held at Springwater.

The Fair Board is particularly thankful to the Estacada merchants, the Oregon City Chamber of Commerce and others throughout the county as they have made it possible to offer more and better prizes to the boys and girls than ever before.

A large tent has been secured for possible to show the stock to advantage rain or shine. This is a fine thing as the entrants will be glad to have their livestock in out of the weather if it should happen to be bad and the people are assured of a place to go if it should rain.

Competent judges have been appointed in all departments and will be on hand to pass judgement early in the day.

Saturday, September 10th is Grange Day, when final plans will be made and the little details taken care of and assistants appointed to take charge of the various departments. An open meeting will be held in the afternoon and any one interested will be welcome to meet with them.

An invitation is extended to anyone in the county to make an exhibit. Premium Lists may be had at the Estacada State Bank or from any member of the Fair Board.

This Fair is one of the few in the county that you can attend, take in the side shows and have a good time without any money but such is the case at Springwater and the Fair Board and members heartily extend to you an invitation to come. Remember the date is September 16th.

Don't forget the Dempsey-Sharkey fight picture will be shown Sunday and Monday nights at the Liberty Theatre in Estacada.

The Garfield Grange will give an entertainment and Pie Social Friday evening September, 9th at 8 o'clock. Music furnished by the Estacada Band. Everybody come and enjoy yourselves. Ladies bring pics and gentlemen bring well filled pocket-books.—Entertainment Committee.

The Springwater School opens Monday, September 12. Both of the rooms have been painted and cleaned and other things that needed attention have been attended to and the children of this district will be strating the term with rooms and a building that is up in first class condition. Miss Ethel Young is the principal, and Miss Esther Head has charge of the primary grades. The teachers and School Board are planning for a very successful school year.

Services at the Full Gospel Hall are as follows:

Bible Study Sunday morning at 10
Preaching at 11:
Evangelistic Service at 7:30 p. m.
Prayer Meeting on Tuesday evening at 7:30.

Bible Study on Friday evening at 7:30, to which all are requested to bring their Bibles.

All not worshipping elsewhere are cordially invited to attend.
J. D. and Mrs. Miller, Pastors.
