There was quite a large crowd in attendance, although the affair had not received much advertising. Hayman, president of the school board, gave an address of welcome to the teachers and Mrs. Harry Kitching followed by a vocal solo, with Miss E. Hel Hayman at the piano. The musical numbers were highly appreciated. Mr. Buell, principal of the schools, was then called upon for some remarks, which he gave in a very pleasing manner and then proceeded to ask all the teachers to rise to their feet and be introduced them. ESTACADA BAND TO HAVE LARGE SUPPER

The Estacada Band voted to have a big supper at the I.O.O.F. Hall, Saturday, October 8th. The band is running a little behind and this supper is for the raising of a few dollars for the purpose of paying a few back bills and putting the band on solid ground again. Everyone is urged to attend this supper and get their money's worth in a "square meal" and thereby help the band also. The Band is one of the best advertisements the town has and we cannot afford to lose it and we will not if every one does his part in supporting it. It makes no difference what the occasion may be, if there is any music wanted the band boys are more than willing to respond and it is not any more than fair that when the Band boys want a little boost, financially or otherwise, it is our place to return the favor and give what we can ably spare. By doing this we will be helping the community maintain the best organization that it now has. At this supper you will not only get all you can eat but you will hear some real classical music by the newly organized orchestra of Estacada made up of members of the band. Come out everyone and enjoy yourselves with the band boys.
