Chevrolet Delivered Prices  
 They include the lowest handling and financing charges available.

Never before was a low-priced car so delightful to drive as today's Chevrolet! Fast get-away... easy, smooth operation... high speed roadability... unflinching power... and flashy acceleration— exactly the type of performance that everyone wants in an automobile today!

And the source of this matchless performance is the famous Chevrolet valve-in-head motor—a motor that has established a world-wide reputation for its remarkable power, dependability and economy.

In addition, there is all the finger-tip steering, all the positive braking and effortless gear shifting that have made Chevrolet so decidedly popular for congested traffic.

Come in! One ride at the wheel of your favorite model—and you'll know why millions have acclaimed today's Chevrolet as the finest performer in the low-price field!
