COMMUNITY CLUB HAS INTERESTING MEETING

There was a very good attendance at the Community Club Meeting last Friday evening, notwithstanding the inclement weather. President Ames was absent on account of illness and J. G. Hayman, the vice-president, presided. The first number on the program was the singing of "America" by all present. Little boys and girls of the first and second grades gave some songs, after which R. E. Beck entertained with two readings. Merton Bullard gave a cornet solo and Mayrose Bartholomew a reading. Forest Ranger Armstrong talked on subjects for the good of the order, dwelling on the fact that the Community club should have more members and suggested that a drive for that purpose be started. The chairman immediately appointed Mrs. Wm. Gilgan as chairman of a committee to solicit membership and she immediately proceeded to work. A. W. Armstrong, J. K. Ely and H. C. Stephens were appointed as a committee on the membership drive.

The club voted to take the matter of sponsoring the Boy Scout movement. The boys have been meeting in the basement of the M. E. church, a very poor place for them to meet on account of the cement floors. They will meet hereafter in the band hall. A Boy Scout committee composed of Roy Beck, Fred Haynes and Frank Moore, was appointed.

The Club voted to sponsor a Community Christmas Tree which probably will be held in the high school auditorium on Christmas Eve.

The Christmas tree committee is composed of Mrs. Lena Barr, Mrs. H. C. Stephens and Mrs. U. A. Upton.

Mrs. Elizabeth T. Jones Passes

After an illness extending over several years, Elizabeth Thurston Jones passes away at her home here on November 23, 1927. Funeral services were held in Corvallis with Rev. Bowen officiating, and where the interment took place in the I. O. O. F. cemetery there.

Deceased was born in Dunsford, Ont., Canada, February 18, 1851. She has been a resident of Oregon for over seventeen years, residing in Portland most of the time until her husband passed on about three years dren, Mrs. Lloyd M. Yocum and W. made her home with her son W. R. Jones. She is survived by four children, Mrs. Lloyd M. Yocum, and W. R. Jones, Estacada, Mrs. L. B. Thomas, Oakland, Calif., and James B. Jones, Portland, and by four grandchildren.

Sympathy is extended to the bereaved family.

Road District Meeting

Quite an interest was shown in the road district meeting last Friday evening in the city hall. An additional tax of five mills was voted and a number of streets in Estacada were designated as the place to make improvements. Broadway especially, needs repairs badly.

S & S Hardware Store Entered by Two Boys

On Tuesday morning, C. M. Sparks of the S. & S. Hardware, reported that his store had been broken into and goods taken, but at that time could not say what the loss was. Later he discovered that a lot of shells had been taken and safety razors, knives and other articles were missing. In a short time, George Pointer reported that he had bought, or was about to buy, some articles of this description in his second hand store. A boy came to the store early in the morning and wanted to trade a revolver and other articles for a rifle. Mr. Pointer told the boy to come again after school, which he did and then Marshall Norris caught him. It proved to be Wesley Jacobson and he confessed that his accomplice in the burglary was Millard Sarver Jr. The boys were taken to the juvenile court in Oregon City where Judge Campbell sentenced them to the Industrial school at Woodburn.

The case is a very sad one as the boys are only 13 years old, both of them pupils in the grade school here. The Jacobson boy was an adopted child and his foster mother died. His father is in California and the boy lived with his grandparents. He has been in trouble of this kind before it is said.

ments with the publishers, portrays in an amusing manner a typical situation in an exceedingly rich family. The father, Mr. King (Bob Hayden) tired of the constant deluge of bills, seeks solace and quite up the Amazon river. He leaves his manager, Adam (Carl DeMoy) in charge of the family. The latter attempts to treat Adam as if he were Mr. King, but Adam finds a clever and original solution. Although each character has witty and at all times brilliant speeches, the comedy of the play is really furnished by Clinton DeWitt (Dan Jennings) who is still deciding upon his profession, Uncle Horrace, who does nothing but sleep and Lord Andrew (Elwin Beck) who is quite adept at golf.

Estacada's last football game of the season was played at Gresham Thanksgiving morning, resulting in a favorable score of 14 to 0 for Gresham. At the close of the first half, the score was 0-0. Then in the first seconds of the third quarter, Gresham scored seven and again in the last quarter. It was a hard fight as the teams were pretty evenly matched and due to rain the field was very slick making the game hard to play. Our boys really showed their fighting spirit during the entire game, even though theirs was the low end of the score.

THE NEW FORD CAR ON DISPLAY

Introduction of the New Ford Car—Estacada will get its first full description of the new line of Ford automobiles, tomorrow, Friday.

A public reception to be held by local dealers is part of the national introduction of the new Ford models. In thousands of communities all over the United States tomorrow this new line of moderate-priced light automobiles will be introduced to millions of people.

The doors of the showrooms in Portland, are to be opened promptly at eight o'clock a capable attendant will be on hand throughout the remainder of the day to explain the new and interesting features of the car which is expected to make a new chapter in automotive history.

The new Ford cars are said to be the product of several years of study and planning by Henry Ford and his engineers in the great Ford laboratories at Dearborn. Mr. Ford himself has announced that "there is nothing quite like the new Ford car" and has stated that it will prove just as great a pioneer in the present field of low price light cars of quality as the famous Model T was the pioneer in its field for more than nineteen years.

The performance of these new cars, it is said, will be startling when viewed in the light of automobile performance of the past.

Local dealers have been notified by Ford officials at Detroit that the factories throughout the country are now preparing to produce the new cars in numbers exceeding even the tremendous production records achieved in the manufacture of the Model T line.

Company officials at Detroit also repeated their early announcement that production of the new Ford line will not make the Model T line obsolete. The manufacture of new parts for Model T replacements will continue to be an important factor of the Ford plants as long as any of the Model T cars are still in operation, the local dealers were advised. Because of this policy, present owners of Model T Ford cars will be able to keep their cars in perfect order as long as those cars remain in commission.
