### CHURCHES

**Christian Church**  
Bible school at 10 a. m., Mrs. D. E. Dent, superintendent. Morning services at 11 a. m., Lord's supper, sermon subject, "A New Year's Address." Evening service: Y. P. C. E. at 6:30. We are having splendid services every Sunday. We invite everyone who is interested in the work of the Lord.

Today as never before there is a great danger of people neglecting what God has revealed to us through His Son. A pitiable sight is a little child, sobbing, but unable to tell its name or address. But really every child has, at one time or another, lost its way from its heavenly home and God; and our concern now is to get back home.

1. We have lost our way. 2. Christ offers himself as our guide. 3. We can trust him. 4. Those who seek Christ early shall find him. Read Heb. 2:1; Prov. 8:17.  
We have reached the close of another year. Many persons look back and are not satisfied and they say, "Well, we'll turn over a new leaf." And they are honestly anxious to accept the higher hope, and to have the better joy. To such I wish to speak of three things you ought not to do; and of three things that, that by the grace of God, you ought to do.

In keeping with the spirit of the dawn of a new year I shall bring a

message on "A New Year's Address." Come and hear the message. We invite everybody. D. E. DENT, Minister.

**Springwater Church**  
Sunday school at 10 a. m., at the 11 o'clock service the Sacrament of the Lord's Supper will be celebrated. Christian Endeavor and mission study in the evening at the church.

**George Church**  
Sunday school at 2 p. m. Church service and communion at 3 p. m.

**Eagle Creek Church**  
Sunday school at 10:30 a. m. The Christian Endeavor meets at 7:15 p. m. Church service and communion at 8 p. m.

The first week in January is observed throughout the church as a week of prayer. It is fitting that we seek divine guidance both in our public and private devotions as we enter upon the work of a new year.—T. I. KIRKWOOD, pastor.

**Methodist Church**  
A successful Sunday always includes attendance at church. Some stay home and enjoy Sunday (as they say) and forget they owe the very fact of a day of rest to the church they ridicule. Do any of these fellows who are forever talking about staying home stop to realize Sunday is theirs because there is a church and because of Christ?

Without the civilization that Christ has brought, these same ones would have their nose to the grindstone seven days in the week. Is it fair to let the church shift for itself and you selfishly enjoy its benefits in the community and the day of rest for which it has always fought. Be fair—show your gratitude by coming to church. Start the new year right by coming next Sunday to church. Do not be neutral toward the church, she has too much that is fine and is needful for a true life.

The New Year's sermon Sunday morning at 11 o'clock will be on the subject of "Stability of Nature." This is a good lesson to be received. Come and hear it. At 7:30 in the evening the subject will be "Piety, Non-Commercial."

Sunday school always opens at 10 a. m. and Epworth league at 7:00 p. m. The church that has a welcome to all. Come and enjoy the service with us.—C. T. COOK, Pastor.
