

\$2,000 IN PRIZES OFFERED IN NEWS CIRCULATION PLAN

work you do whether you win a prize or not. After the prizes are awarded the remaining candidates if any will be paid a cash commission on the business they have done.

The management will be glad to assist candidates in every way possible. Come in and talk it over and learn exactly what the deal is and the opportunities it offers. You need not grope in the dark at any time as help will be at your side at all times. The best way to exploit your campaign will be told you and at all times we will be willing and glad to help you.

As a matter of convenience to the candidates and prospective candidates the News office will be open each evening until 9 o'clock to receive reports and give necessary information, in fact, to help you in every possible way.

The Chevrolet coach, first prize in this campaign, is being purchased from the Cascade Motor company of Estacada where it will be on display as soon as one is available. We were unable to secure a cut of it for this week's paper, but will have one next week that you may see just how it looks. The car is a wonderful improvement over the models of last year, and has the appearance of the high priced cars of a year ago.

The Ford roadster is being purchased from the Bob Cooke Motor company where it will be on display just as soon as one can be had. Mr. Cooke says the new Fords are coming into Portland now at the rate of about two cars a day and it will be but a short time until this car will be on display. The selling price of this car is unknown by coast dealers at the present time, but it will be a car the winner will feel proud to own.

Both these cars will be fully equipped, both have the four-wheel brakes and so many added features from the older models that they do not appear to be the same make of car.

The News has not yet made a deal for the radios, but is getting the information on them and will announce as soon as possible the sets selected for the prizes. They will be the best we can buy and keep within the prices quoted in the prize list.

HOTEL ESTACADA

ARE YOU PREPARED FOR AN EMERGENCY?

When the weather is fine, and you and the children are all in good health and enjoying life, do you not often neglect to prepare for your rainy day? When baby gets the croup, or Bobby smashes his finger, you then are reminded of those remedies you should have purchased the last time you were in town. Come in and let us suggest a few of the first aid remedies you will need that you may be prepared for the many occasions arising when they are needed, and when you can't get to the store to get them. It will save you many inconveniences, suffering, and, possibly, serious complications later.
