VIOLA

VIOLA, Jan. 19.—(Special).—We have been having some cold nights but are thankful there has been no great harm done so far.

Mr. Funk with a number of men has been working on the telephone lines for which we all are very glad. The line to Estacada has been out three weeks and other lines from ice forming on the wires and also trees falling across them and the poles has caused them to be out of commission.

T. Kay has moved his family from Highland into the James Hamilton house.

Mr. and Mrs. Henry Rosenburg of Portland spent the week end at the John Randolph home. Mr. Rosenburg is a nephew of Mrs. Randolph. He returned to Portland Sunday evening while his wife will stay to visit for a week.

Mrs. M. La Croy, we are sorry to report, isn't any better. She has a grippe.

Mrs. William Matton isn't able to walk and doesn't seem to get much better. Mr. and Mrs. Arthur Matton are here to help take care of her.

Mrs. M. L. Sevier went over to River mill Tuesday evening and returned Thursday morning. She stayed with her grandson, Leslie Hicinbotham while his parents went to Logan Wednesday to Pamona grange. Leslie has been sick ever since Christmas but is some better now.

Mr. and Mrs. Ray Miller and daughter Bernice with Mrs. J. Randolph went to Estacada Friday evening to take in the senior class play. They report that it was fine, and all enjoyed it.

Leon Hubbard killed a nice fat pig for home use last week.

Emery Powers has been helping to get the telephones in working order again.

Claud Potter is delivering quite a lot of dressed lumber. He has sold his mill machinery here, preparing to go to Stevenson, Washington, where he has bought timber enough to run his new mill three years.

ELWOOD

Mrs. W. Jones' little grand daughters have gone to Portland to be with their mother, Mrs. Cora Torvel.

U. N. Beckley is spending a few days in Portland this week.

Mr. and Mrs. Louis Vallen of Scotts Mills spent Sunday night with relatives here.

Elvin Rydzweski is on the sick list.

A neighborhood dance was given at the Baker hall Saturday night, E. W. Lewellen and A. W. Stauffer supplying the music.

Mrs. Addie Stauffer and Mrs. M. Park took part in a spelling and an arithmetic contest at the school Friday afternoon.

Mrs. L. Cottingham of Coram, Montana, formerly Miss Anna Cadaman of this place, has been very ill the past month, but is now improving and able to leave the hospital.

George Bitner has been staying at Hot Springs the past two weeks for his health.

Again

-the Greatest Sensation of America's Greatest Industry

Again, Chevrolet has created an automobile so far beyond all expectations in the low-price field that it constitutes the greatest achievement of America's greatest industry!

Built on a 4 inch longer wheelbase and offering many improvements in performance, beauty and safety—this Bigger and Better Chevrolet marks a spectacular epoch in the development of luxurious transportation at low cost.

The engine is of improved valve-in-head design with alloy "invar strut" pistons...hydro-laminated camshaft

gears... mushroom type valve tappets ... AC oil filter and AC air cleaner and new crank-case breathing system.

Throughout the entire car, similar advancements are represented—from the four-inch longer wheelbase and the new semi-elliptic shock absorber springs to the four-wheel brakes and the beautiful new Fisher bodies in new Duco colors.

Come in! See and drive this great new car. Test its thrilling speed, pick-up, smoothness and power—and like thousands of others you will agree that here is the world's most luxurious low-priced automobile.
