His arm came in contact with the saw and it was found that the arm was almost severed. He was rushed at once to an Oregon City hospital by W. C. Glover. There it was found that the arm could be saved if no complication set in. At this time Mr. Gierke is reported to be resting easily. He has been a resident of this section for only a couple of weeks, having recently purchased the Dan Kinley place.

HIGH SCHOOL

Large World History Class

There is a large world history class. Most of the students are freshmen and sophomores who are entering the class for the first time.

Learning Spanish Songs

The Spanish II class is copying Spanish songs which they plan to sing some time later.

Change in Classes

A change has been made in the English class, giving Miss Anderson the sophomores and Miss Kershner the junior class. Therefore the sophs are now writing the school notes for the Eastern Clackamas News, which were formerly written by the juniors.

Boys Win from Milwaukie

The boys' basketball team played a good game at Milwaukie last Friday night, winning by a score of 29 to 21. The lineup was—Everett Osborne and Dan Jennings, forwards; James Fantz, center; Robert Hayden and Alvin Munson, guards.

Boys' Cooking Class Started

The girls' cooking class is studying meat cookery. The sewing class is studying budgets.

A boys' cooking class has been started under the supervision of Miss Scott. They are beginning their first project, the preparations for breakfast.

Sandy Game Friday
Sandy, the opposing team for the Estacada high quintet Friday night, has a queer way of making baskets. They bank their shots off their low ceiling, that is, they make the ball hit the ceiling and bounce into the basket. The lineup for this game will probably be the same as in the other games. Sandy is supposed to be good, but the Estacada boys believe they are better.

Change in Periods
At the beginning of the second semester the school started having eight forty-minute periods, four in the morning and four in the afternoon. This makes a change in the noon hour, which will now begin at 11:40 and end at 12:40. New classes have been added, such as the boys' cooking class, girls' manual training class, geography and geometry.

Exams Over
The semester examinations were given Thursday and Friday. Exams for the morning classes were held Thursday and the afternoon classes on Friday, allowing two periods for each subject.

Girls Lose to Milwaukie
To the great disappointment of the girls' basketball team the game with Milwaukie was lost, the score being 29 to 18. The lineup was—forwards, Blanche Armstrong and Ora McKenney; centers, Erma Wilcox and Irene Davis; guards, Alice Kaake and Marion Gardner; substitutes, Edith De Moy, Janet Gilgan, Mary Lenson and Lucille Sanders.

The girls are putting in every spare minute to practice for they expect a hard game at Sandy Friday night. The grade school girls have challenged the sophomores for a game on Wednesday evening after school.
