Powell Making Fine Success of the Poultry Business

Among the poultrymen of Eastern Clackamas county who are actually making a success of the poultry raising business is S. T. Powell of the Garfield district.

Mr. Powell came to this section three years ago buying the farm known as the Bridenstein place. Mr. Powell admits that at that time it was not much of a farm from general appearance. The people who had been working the place had it rent free, because it was not considered possible to make a living on the place and pay rent.

Starts With Good Stock

When Mr. Powell started to go into the poultry business here he did not make this mistake so often made by would-be poultrymen. He bought the finest strain of leghorns he could buy, paying a higher price than he would have had to pay if he had bought inferior stock. He started with 310 birds.

From those 310 white leghorns Mr. Powell says that he made a profit of \$1000 the first year, which, of course did not allow for labor. But if he had charged regular wages for the time necessary to care for the flock he still would have had a nice profit.

Uses Old Barn for Flock

Like most of the folks starting in the poultry raising business, Mr. Powell was short of funds and it was necessary for him to economize in every way possible in preparing the

DICK GIBSON, PIONEER OF EAGLE CREEK, DEAD

SUCCUMES SHORTLY AFTER AN OPERATION—WAS BORN AT DOUGLASS RIDGE

Although he had been suffering for some time with hernia, friends and relatives alike were appalled at the sudden and untimely demise of Richard B. Gibson at the Good Samaritan hospital in Portland, Monday, February 13, at the age of 58 years. He was operated on February 4, but his condition continued to become worse until the end came.

Mr. Gibson was born near Eagle Creek, on the old home place adjoining where he had lived for a number of years, on September 13, 1869, and was never outside the state of Oregon.

He was the son of an old pioneer family that crossed the plains in the early days. Naturally a home man and a quiet disposition, he belonged to no lodge or society except the Maccabees.

He leaves a wife, Mrs. Linnie Gibson, three brothers, H. S. Gibson of Eagle Creek, Harvey and H. F. Gibson of Barton; two sisters, Mrs. Nora Kandle of Estacada and Mrs. Cora M. Udell of Eagle Creek.

There was a large attendance at the funeral which was held at the Eagle Creek church Wednesday afternoon, with Rev. F. P. Allen and Rev. W. M. Martin, old friends of the family, officiating.

LOWER VOTE SCHEDULE EFFECTIVE ON MONDAY

CANDIDATES ADVISED TO GET EVERY SUBSCRIPTION POSSIBLE LAST DAY.

Saturday night—9 o'clock, the second period of the Eastern Clackamas News' circulation campaign starts. It is necessary that before that time you turn in to the office every subscription you can possibly get, because during the second period the vote value of the subscription is reduced one-fourth.

You still have two full days to go out and round up those who have promised you their subscription during the big vote period. It is necessary that you use every minute of the next two days in getting these credits all in.

This is the most critical period in the entire contest. Your chances to win, or lose, may be decided by the effort or neglect of effort of Friday and Saturday, today and tomorrow—February 17 and 18.

Line up your friends and get them busy. If ever you need help in the contest you need it these two days.

Candidates residing in other than Estacada communities may mail in their reports, in order to give them a chance to work right up to the closing hour. However, the postmark must show that the report was mailed not later than 9 o'clock, otherwise second period instead of first period vote schedules will be used in checking the report.

Starting Monday candidates will begin selling stationery. The line they have to show their friends is a real value; ordinarily the News would not sell this job for one cent less than double what you will be charged.
