HIGH SCHOOL

The high school basket ball team will play Canby at Canby this Friday evening. Mr. Manning says the boys have improved 100 per cent in the last three weeks.

Arnold Anderson has recovered from his illness. He has missed so much school that he will not try to finish the term.

The students in world history who have an average of A for one week, are exempt from outlining the lessons the following week.

Monday night after school twenty-two girls turned out for basket ball. Prospects look good for a successful season.

A Washington Day program was given Wednesday by both the grade and high schools. The high program was songs by the junior and sophomore girls, "Washington and Lincoln," Irene Davis; "George Washington the Surveyor," a play, Velva Perrine and Carl DeMoy; "George Washington and the Cherry Tree," a play, Harold Fifer and Carl Felker.

Miss Lillian Klein, singer for the evangelist, visited the school Monday and Wednesday mornings. Monday she taught the school two songs which she said she hoped they would sing for her at church. Wednesday she entertained with several songs.

Four E. H. S. juniors recently took a trip to Corvallis to attend the exposition given by O. S. C. While there they saw several exhibits and heard a number of good talks. Some of the exhibits were a miniature logging camp, and a basement equipped to look like a mine. Olive Bishop, one of the students who made the trip, was given fourth place in an intelligence test.

Friday the Estacada basket ball boys went to Oregon City and played a return game. At the end of the first half the score was 17 to 12 in Estacada's favor. However, at the end of the game the score was 33 to 26 in favor of Oregon City. The players were—forwards, Dan Jennings and Everett Osborne; center, James Fantz; guards, Bob, Hayden and Alvin Munson.

The second team played their first game away from home the same evening. At first the boys had stage fright, but at the end of the first half, the score was 24 to 4 in Oregon City's favor. The second half the boys gained confidence and broke away and made 14 points to 12, making the total score 18 to 36 in Oregon City's favor.

The game at West Linn was very interesting as the Estacada girls were in the lead during all the game. It ended with a score of 18 to 32 in favor of Estacada.

The lineup was—Ora McKinney and Blanche Armstrong, forwards; Irene Davis, running center; Alice Kaake and Erma Wilcox, guards; Marian Gardner, Mary Lemon, Janet Gilgan and Edith DeMoy, subs.

The West Linn principal, Mr. Gavy, complimented the forwards very highly for the way they played, especially Ora McKinney, who played an exceptionally good game.

Campfire Girls Meet
The local Campfire girls held a meeting Wednesday afternoon at the Armstrong home, where they worked on the quilt they are making to sell so as to raise a little money for local expenses. Mrs. Armstrong very graciously served refreshments to the girls.

Will Leave for Milwaukee
Mrs. Delia Rehn, who recently sold her home just across the river from this city, is now visiting at the O. E. Culver home but expects to leave as soon as the weather is favorable, for Milwaukee, Wisconsin, to make her home where she has relatives.
