When final receipts from the Odd Fellows' benefit dance are in it is estimated that there will be about $350 net to turn over to R. B. Jones fund. Many tickets were sold to kind hearted folks who did not attend the dance and 256 numbers were sold at the hall. It is claimed this was the largest dance ever held here. At the grange meeting Saturday County Agent John J. Inskeep advised more alfalfa growing, and Mr. Thiessen of Milwaukie, who spoke on co-operative marketing, claimed there is always a market for quality products. Most local berry growers attended the meeting at Gresham Monday. The situation seems rather unsettled as to profits on strawberries, but is brighter for raspberries. This season all berries will be shipped direct to Troutdale where a large storage plant is secured. Strawberries are all to be sorted and hulled in the field. The question of restricting acreage was discussed at the meeting. It is hard for the grower to know whether he should plow up or increase his acreage.
