

EAGLE CREEK

Eagle Creek is sorry to read of their Barton neighbors' bad luck in turkey raising as rare good luck is reported from all quarters here and the number of people who have gone into the business is greatly increased here since last year.

Mr. and Mrs. James Lamper of Firwood are rejoicing over the birth of a seven and one-half pound baby girl. They have named her Dorothy May.

The Ladies Aid society was entertained Wednesday afternoon by Mrs. Paul Still at her home. There were 25 present and light refreshments were served.

Mrs. Phillips of Portland has been the guest of Mrs. Walter Glover for several days.

Mrs. Homer Glover entertained at luncheon Wednesday Mrs. Emma Thomas, Mrs. George Duncan, Mrs. J. E. Stockley and Mrs. Wm. Saunders.

Mrs. Homer Glover is the proud possessor of a new player piano. It's a Weber.

The Furrer family from Portland was out on their ranch Sunday. They had with them a friend from California, and rejoiced it was such a beautiful day.

Mildred Kellogg, daughter of Mr. and Mrs. Guy Kellogg, died in Wallace, Idaho, of spinal meningitis on April 25.

Mrs. Clingensmith has been confined to the house this week due to having some dental work done. She had five teeth extracted in Estacada Thursday.

Ed. Trullinger and Ben Anderson have sold their last year's hops. They received 21 cents per pound. There has been no demand for hops since last fall, and they consider that they received a very good price at this time.

Major Felker of the Hill Top Orchard has borrowed several colonies of bees to work in his orchard. He reports a full day's work Sunday for the bees as it was a bright, warm day the first one for some time.

Theron Smith of Portland was out Saturday and Sunday cultivating the Bush prune orchard which he has taken over for the season.

E.L. Meyers has torn down his lawn fence, which he has kept in ship shape for several years, to keep the cows out of the flowers, he says. Now it is up to the stock owners to keep them out.

Mrs. Pattison is the proud owner of 400 white leghorn broody chicks, Royal Ann strain, purchased about two weeks ago. She certainly has the knack of making them grow, or maybe it is their royal blood that makes them look so fine.

HILLSBORO WINS FROM THE ARMORY 16 TO 8

Hillsboro's Portland Valley league nine proved too much for the Armory Sunday afternoon, the latter taking the short end of a 16 to 8 count.

It was a close contest for two innings, Hillsboro scoring three runs in the first and the Armory coming back in the second to tie it up. After the next two innings were over, it was anything but a race.

HARD FOUGHT CONTEST AT VANCOUVER BARRACKS

One score in the first inning was all that Vancouver Barracks needed to win the game from Washougal in a good game at the Barracks Sunday.

Tom Canfield and Joe Gaines engaged in a real pitching duel, only seven hits being registered in the game. Gaines was hit for three safeties and Canfield was found for four. Canfield struck out nine men and Gaines struck out four.

Hoss' Qualifications For State Office

BY EDWARD E. BRODIE, Publisher of the Oregon City Morning Enterprise, and former American Minister to Kingdom of Siam.

When Hal Hoss came to Oregon City, a gangling youth, about fifteen years ago, he started in his characteristic and energetic fashion to lay a substantial foundation for success. His experience in newspaper work at that time was somewhat rudimentary, but it had the advantage of variable elements in that it commenced at the bottom and progressed upward thru the several channels of the editorial departments and into the business office where he proceeded to make the most of opportunity.

Occupied as he was in a place that demanded constant application, Mr. Hoss shook irksome details from his shoulders and tied into his job an active appreciation of public service. He became a worker for the brothers of the craft, acting indefatigably for their interests, without expectation or hope of reward.

REIBUH BLANKS NINE OF DAVIDSON BAKERY

(Continued from page 1) a sensation in the Portland Valley league as a result of Sunday's game, will probably go in the box for the Legionnaires at Washougal.

After the next game, Tom Scates of Sandy will probably be in the Estacada lineup. Duback, who played the left garden for the local team Sunday, is not expected to remain with the squad.

OSWEGO BLANKS SHERWOOD AND WINS 3-0 VICTORY

Oswego outplayed Sherwood Sunday and won a 3 to 0 victory over the team that won from Estacada a week ago.

Oswego outplayed Sherwood Sunday and won a 3 to 0 victory over the team that won from Estacada a week ago. Chief Manning allowed but eight hits in the game and managed to keep them well scattered.

their heads, not then realizing that Hal Hoss would be unwilling to stagnate in a place that seemed to offer little future.

There was no good reason, in the mind of Hal Hoss, why the principle of sound business should not be applied to the business of the people. It seemed to him that public service ought to mean more than a political job, and that the same fundamental ideas that he utilized in newspaper offices could and should be put into practice through the conduct of an important state office.

These facts may be construed as arguments for the nomination and election of Hal Hoss for secretary of state. He has become a personality. His friends are not giving his candidacy perfunctory support, but they are enthusiastically urging the people of Oregon to choose a man who has always made good, who has a clear conception of service, who is young and alert and who is free to promise and who has the ability to deliver.
