LEGIONNAIRES TAKE GAME FROM OPPONENTS

RIEBHOFF ALLOWS BUT THREE
HITS; ESTACADA WINS BY
SCORE OF 3 TO 1

Estacada Legionnaires again kept on the winning side of the column when they defeated the Washougal Merchants at Washougal Sunday afternoon at Washougal, by the close score of 3 to 1. Estacada scored one count in the first inning and the two more in the fifth. The home team scored their only run in the fourth inning when Erickson made a circuit clout over the left fielders' head and into the tall grass.

Riebhoff allowed only three hits and struck out four men. The Legionnaires were credited with seven hits and Kaiser, Washougal twirler, also struck out four men.

The game was not considered won until the last merchant in the ninth inning had been called "out" by Umpire Kimmel.

Ray Lovelace starred with the big stick, getting two hits, one of them good for two bases. Tony Bronson was also hitting Sunday, having two hits to his credit. The most sensational play in the game was made by Kenneth Scales when he did next to the impossible and caught a fly ball that really should have been a hit in any man's game.

The Washougal pitcher was wild at times and during the nine innings walked five men. Riebhoff was steady throughout the game and did not waste many balls. No one walked and few reached first.

The manager of the "Merchants" team protested when they were not allowed to substitute a runner for Holland and at the same time keep him in the game as catcher. The umpire ruled that a man once taken out of the game could not be put back into it, much to the dislike of the Washougal manager.

It was a fine game and very few errors could have been charged to either team. However, the condition of the grounds as compared with the local field, was such that many errors was to be expected.

It was estimated that at least one half of the crowd attending the game was from Estacada. The admission charge was 50 cents, and at that the
