Prefer Good Tires!

Although burglars are classed as disreputable beings they sometimes show excellent taste and judgment. While there were five garages visited by them in Estacada last Tuesday night, not a tire was taken except at the Cascade Garage where they helped themselves to four

gate receipts amounted to only about half the average gate here at home.

The team made the trip by stage from Estacada, hiring one of the busses that is used on the Portland-Estacada run. Quite a number of private cars loaded with fans also made the trip.

Bill Fischer, catcher for the Legionnaires, who caught for the Portland Beavers last year, has moved to Estacada and will probably remain here during the summer. Malcolm Riebohoff, pitcher, is also expected to come to this city to make his home within the next few days.

The game next Sunday will be between Estacada and The Armory of Portland, on the Estacada field. The score.

GIRL IN ACCIDENT, LEG BROKEN, X-RAY REVEALS

EAGLE CREEK, May 3.—Emma Schultz, high school girl, met with a sad accident in Estacada Friday afternoon while trying to ride on the running board of a coupe belonging to Kenneth Troupe. She fell and hurt her ankle and an x-ray taken in Portland showed a double fracture. Her foot will probably be kept in cast for at least six weeks.

Congratulations are being received by Mr. and Mrs. Walter Smith on the birth of a daughter, April 22.

Last fall Mrs. Furrer hung up an old sweater in the tool shed, and great was her surprise and delight on entering the shed Sunday morning to find that the sweater had been claimed by another. A little bird had built its home in one of the pockets and was sitting on six tiny eggs.

A silver tea for the benefit of the Ladies Aid will be given Friday afternoon, May 11, at the home of Mrs. A. C. Cogswell. Assisting hostesses will be Mrs. A. D. Burnett, Mrs. Homer Glover and Mrs. Wm. Saunders. A cordial invitation is extended to all ladies of the community.

Mrs. Homer Glover and Mrs. Wm. Saunders called at the home of Mrs. Kenny Saturday afternoon and had a very pleasant little visit. Mrs. Kenny entertained her guests in true Irish fashion with her customary afternoon tea.

Ed Trullinger and son have purchased a new tractor cultivator.

The grammar school baseball team journeyed to Carrinville Friday to meet the school team there. Eagle Creek boys won by a score of 6 to 4 in a well played game. Carl Rehberg acted as umpire and he together with Homer Glover furnished the transportation. The school board has laid down a ruling that none but bona fide pupils be permitted to play.

B. F. Tood, who has been hauling cedar poles for John Wheeler from Eagle Creek to Milwaukie, had the misfortune to run a peavy through his foot. He will be laid up for some time. His son Ed Todd came home from Bull Run to operate the truck.

W. A. Smith spent Sunday at his favorite sport, angling on Deep creek, and reports a good catch of 20 trout all taken on a professor and gray hackle wet fly.

Mrs. James Smith underwent an operation for cancer of the breast at a Portland hospital Tuesday. The surgeons consider the case very favorable for complete recovery.

LOGAN STORE ROBBED OF OIL AND CIGARS

UPPER LOGAN, May 3.—(Special.)—Thieves entered the store and gas station of J. C. Young here Monday night, taking a quantity of oil, cigars and confections.

They gained entrance to the store with a pass key and cut off the padlock from the door where the oil was kept. Six gallons of oil was taken.

Two packages of tobacco were dropped on the floor and left there. Though Mr. Young's residence is but a few yards away and the home of John Arnold is just across the road, no one heard any disturbance.
