

# For Nearly 20 Years!

The Model T Ford led the motor industry and it still is used by more people than any other automobile. More than eight million Model T Fords are in active service today—an indication of their sturdy worth, reliability and economy.

Because of the tremendous investment which people have in these cars and because so many of them will be driven for two, three, and even five more years, the Ford Motor Company will continue to make replacement parts until, as Henry Ford himself says, "the last Model T is off the road."

### CHURCHES

**Methodist Church**

"Come unto Me." Peace, happiness and contentment were promised to all who would turn from sin and walk in the paths of righteousness, by our Lord and Master. Although this promise was made many years ago, it is true today. The church, which represents our Lord on this earth, has the same message for you, and in the name of the Master says "come."

The church offers devotion to men and women, boys and girls, all ages. It is an organization to spread the knowledge of Christ and salvation from sin. It also offers encouragement, sympathy, and fellowship. The church is in your community to serve humanity.

Support the church by regular attendance. Regular church attendance and participation in its activities will strengthen your character. Nothing in life can take the place of the church. "Come unto Me and I will give you rest."

The subject for the 11 o'clock service next Sunday, "Progressive Power of the Gospel over the Soul," and at 8 o'clock in the evening, "Fisher-man." You always get a welcome at the Methodist church. Sunday school at 10 a. m., Epworth League at 7 p. m.. C. T. Cook, pastor.
