ESTACADA, OREGON, FRIDAY, JUNE 8, 1928

## BUSINESS MEN PLEDGE CELEBRATION SUPPORT

### FLOATS TO BE PREPARED BY MANY LOCAL FIRMS, BIG FIREWORKS PLANNED

Plans for the big Fourth of July celebration are going forward very satisfactory. The business firms of the city have pledged their support, and many have pledged themselves to enter floats in the parade.

Patriotic addresses by speakers of note will be one of the opening features of the celebration, which will come immediately after the parade. The speaking program will probably be held in the park around the post-office and Estacada hotel.

A ball game has been scheduled as one of the big events of the day. The Boring team of the inter-city league will play the Estacada Legionnaires. The Boringites have won more than half their games this season and should put up a scrappy contest. Several propositions for games were turned down for Boring because of the short distance between the two towns and the prospects of drawing a large Boring crowd for the day.

A big street dance in the evening is also being planned by the celebration committee. A midnight matinee at the Liberty Theatre will close the days' activities.

A mammoth fireworks display at night will be a big feature. This will furnish entertainment for at least an hour and will be one of the biggest displays of the kind ever seen in Clackamas county.

A contest is now under way for the selection of a Goddess of Liberty to reign through the big celebration. A prize of a \$75 outfit of clothing will be awarded the winner, with a \$25 prize for the winner of second and third places, the latter to be the attendants during the day.

The rules of the contest are as follows:

1. Any girl or young lady residing in Eastern Clackamas county is eligible to enter the contest (married women ineligible).

2. Each contestant will be required to make a cash report each day of the contest.

3. The contest starts June 8 and will end at 9 o'clock Saturday evening June 30.

4. Credits will count at the rate of one vote for each cent turned in.

5. No votes or credits can be transferred from one candidate to another after once turned in to the contest manager.

6. Approximate standing of candidates will be announced each day, except on the closing date, June 30. On this date the reports of contestants will be kept secret until the contest is declared closed.

7. Prizes will be awarded by a committee of judges appointed by the celebration committee, after the votes are counted.

8. Any dispute arising will be settled by a committee representing the Estacada Band and their decision will be final.

## Lots Going Fast at Estacada Lake

(From Portland Telegram)

Every Portlander is being given an opportunity to acquire a summer homesite in one of the most beautiful natural parks in the state of Oregon,—Estacada Lake.

Never before has such a chance been offered here, and it is doubtful if a similar opportunity will ever present itself again.

Portland is a rapidly growing city and in the next ten years will doubtless have many thousand more residents. With the growth of Portland and the surrounding country, summer homesites near the city will be more and more in demand.

Summer resorts seldom become popular in a single season. Usually it takes years for such a subdivision as that at Estacada Lake to be built up.

But at Estacada Lake in the course of just two weeks more than 700 lots were bought and summer cottages are already beginning to rise. Before fall comes there will be scores of homes at the lake and lots will be difficult to purchase.

### McKINNEY-BECKGREN

The marriage of Miss Lyla B. McKinney to Lester C. Beckgren took place in Portland June 5. Will McKenny, brother of the bride, was best man, while Lillian Schmidt was the bridesmaid.

The bride is well known in Estacada where she resided for a number of years. She was educated in the local schools, and taught in the grade school here for two years. She attended the state normal at Monmouth, after which she taught at Reedsport. The groom is in the employ of the forest service and is located near Corbet, where they will make their home.

### Band Stand Taken Down

The old band stand on the corner of Broadway and Third street has finally been torn down. The stand, erected two or three years ago by the band, was never very much of a success, being too small and also too heavy to load on a truck, as was originally intended.

Mrs. Stockton was a member of Mountain Chapter No. 108 of the Eastern Star of Estacada and quite a number of the members of the local order attended the funeral which was held Thursday afternoon at Gresham, with interment in Lincoln Memorial cemetery, Portland.

### Visit at Gladstone

Mrs. W. H. Grabeel and daughters Lavena and Jean drove to Gladstone Monday to visit for a week at the home of Mrs. Grabeel's parents.

Those who have not visited Estacada Lake since the Telegram started putting it on the map cannot realize the transformation which has taken place. What was only a few months ago a wild sylvan park has been turned into a fairyland, with curving driveways, an inviting clubhouse, children's playgrounds, accommodations for swimming and boating and all the other things which are associated with outdoor enjoyment during the warm summer season.

Unlike most summer resorts, Estacada lake is not a day's journey from the city, but only a scant hour's drive by auto over roads paved all the way. Also different is Estacada Lake resort from most others in that it is not miles away from stores and shopping places. Almost the entire subdivision is within the corporate limits of the city of Estacada, where there are stores of every kind, hotels, restaurants, schools, churches, a bank, physicians, and, in fact, anything one might wish if he were at home in Portland.

In addition, electric light and power facilities are on the property. Description of Estacada Lake summer resort is difficult. One has to but loiter on the banks a moment before the invitation of the cool waters recalls the old swimming hole of youth's memories and that lazy, summer feeling makes one know that vacation time is here.

## PIONEERS HOLD THEIR ANNUAL MEETING

### SPEND DAY PICNICKING IN THE DINTY MOORE PARK AT EAGLE CREEK.

## ESTACADA DROPS CLOSE CONTEST TO SHERWOOD

### LEGIONNAIRES OUTPLAY THEIR OPPONENTS ALL THRU GAME; LOSE 7 TO 6

Estacada outplayed the Sherwood team of the Portland Valley league throughout the game Sunday, but lost by one point, just as the team lost to Oswego and Hillsboro a few weeks ago. Stone, pitching for the Sherwood gang was hit for eight safeties including a two-bagger and a home run, while Russell allowed but six hits. He walked three men and hit one with a pitched ball, which accounted for four of the seven runs made by the Sherwood men.

The first blood showed up in the third inning when Russell hit the first man up and walked the next two and an error let in three runs without a single hit. In the sixth inning a walk, a single and a home run counted three more tallies for the home team. In the eighth session, Board, who had been put out of the game by the umpire for protesting a decision and finally allowed to come back and finish the contest, hit a homer over the left field fence for the seventh and winning score.

Estacada scored two runs in the fourth inning, and one in each of the fifth, sixth, seventh and eighth innings. In the first of the ninth with Sherwood one run ahead, and with two outs, Sid Miller hit for a single, Fischer walked and it looked as if there was still a chance left to win the game. But this was spoiled when Seales flied out to right field.

One of the feature plays of the game was made by Ray Lovelace when he threw from deep center and caught a runner at the home plate for an out that certainly looked like another run. Kenneth Seales made a catch in the sixth that looked next to impossible, as did Ray Lovelace in the eighth inning.

The Estacada team's outfield had eight putouts in the game to their credit, Seales taking two, Jennings two and Lovelace four, without a flaw.

There were three home runs in the contest, Fischer for Estacada and Moore and Board for Sherwood. The bases were empty at the time of two of the circuit clouts.

The loss of this game-tied Estacada with the Barracks of Vancouver for fourth place in the league standings. (Continued on page 3)
